FRUITS

DWARF APPLE TREES

These unique trees create a new era in fruit tree culture for city and suburban homes, for they require less space and produce much quicker than standard fruit trees. Most varieties generally start producing the second and third year after planting. They do not spread more than 10-15 ft., and therefore can be planted 15 ft. apart; the trees are never more than 10-15 ft. high at maturity. Makes a beautiful ornamental tree. Also produces heavy crops of fruit—2 trees in a small corner in your yard will provide enough fruit for you and your neighbor. The small investment you make will increase in value each year.

We are offering 4 varieties: Cortland, McIntosh, Red Delicious and Northern Spy. Price: 2-Yr., 5-7/16 inch, 2-3 ft., \$3.00 each; 2 for \$5.75.

DWARF PEAR TREES

The variety we are offering in this wonderful dwarf tree is the wellknown BARTLETT. Fruit is large, coloring when fully ripe, to waxen yellow with red blush; juicy, melting, highly flavored. Fruit ripens in September.

PRICE: 2-Yr., 5-7/16 inch, 2-3 ft. trees, \$2.50 each; 2 for \$4.75.

A COMPLETE LINE OF NURSERY STOCK
DIRECT TO GROWER

1948
SPRING
CATALOG

R. W. ACKERMAN
General Manager

R. W. ACKERMAN, JR.
Assistant Manager

BILL ACKERMAN

We Grow because we give you Big Values

100,000 Satisfied Customers—In Every State in the Union Plant Our Hardy Stock—the Reasons are Simple

So many customers cannot be wrong—they buy from us year, after year, for they know our stock can be depended upon. Here are some of the reasons.
We sell only the best hardy Northern grown stock at lowest possible prices.
We promise a fair and square deal to everyone—and make good our promise.
We ship stock subject to examination before payment.

WHY Can We Sell Such Fine Stock at Such Reasonable Prices?

BECAUSE--

We sell direct from our catalog only—you have no agents' commission to pay.

We are not jobbers—we grow a tremendous amount of stock, which is handled only once—direct from the nursery to you.

We purchase no large advertising space—we depend largely upon our friends and customers to advertise our stock.

You will find that this is a book which is made especially for farmers, home owners, fruit growers and gardeners; giving them a chance to buy direct from a nursery at wholesale prices.

We wish to make clear that all stock in these bargains is the same high quality stock offered at regular catalog prices. By placing your order with us, you will be sure of receiving plants, trees, etc. that are first class and up to grade in every respect.

We have been growers for over fifty years, and have farms with the best of soil, tractors, trucks, packing houses, and everything necessary to grow and pack nursery stock, making

NOTE: New discounts on early orders. Also additional premiums. See page 2 for Free Premium.

the handling charge much cheaper; all of these savings are passed on to our customers—we work on a very small margin of profit.

We also wish to sincerely thank all of our old customers for their continued patronage. As the bulk of our new business comes from unsolicited patrons recommended by our satisfied customers, this shows confidence in The Ackerman Nurseries, on which we base our hope of future business.

100,000
Satisfied
CUSTOMERS
Can not
be Wrong

WITH THIS, 3 Generations of Ackermans OUR 57th YEAR HAVE BEEN PLEASING THEIR CUSTOMERS

It is again my privilege, with this our 57th Anniversary, to extend my thanks to our old friends and new customers for their continued patronage. We are most happy to again pledge the same old-fashioned farmer-to-farmer square deal policies, which 57 years of steady progress has proven to be the only way to do business.

We had hoped with the mailing of this catalog, normal business conditions would prevail in all parts of the country, but it seems this is not the case, at least not at the present time. The world is still in the process of readjustment—the cost of living is still advancing very rapidly—labor conditions are very unstable, and conditions have reached a point where one does not know which way to turn. However, even under these trying conditions, we have again produced a fair supply of all stock, and although this stock was propagated under the high scale of wages, with high cost of packing material, etc., we are offering this high quality nursery stock to you at the lowest possible price.

We have again experienced a serious drought this past summer, and undoubtedly there will be a big shortage in all small fruit plants. We are very fortunate in having our own irrigation system and will, therefore, be in a position to supply some of the best plant material which our long experience has helped us to develop. We own and operate our own farms in the Heart of Michigan's Fruit Belt—our nursery stock is produced under the most efficient methods—we have the best equipment obtainable, keep up the fertility of our soil at all times so as to insure the most vigorous plants and trees it is possible to grow. When one realizes that not only orchards and home fruit planting, but also the whole supply of ornamental plants as well, depend upon the standard of perpetuation by nurserymen, we realize the responsibility of this industry. To grow and market a tree free from various diseases calls for training and experience comparable to that necessary in any profession—our personnel is trained to meet these new methods and changed conditions. It is no longer just a matter of growing stock, sticking in a scionwood from any source and selling the tree—the days are here that require our best efforts combined to produce trees that can meet the standards which growers are requesting. We aim to keep pace with these new conditions, and have been working with our State Department of Agriculture to check and approve the sources of budwood for certain fruit trees. Remember, your future success and profit from your investment depends on factors you cannot see—the skill and experience of the nurserymen, the type of parent stock which is used in propagating his stock, the willingness of the nurseryman to stand back of every one of his claims—we believe in a Square Deal and practice what we believe!

With food prices still soaring, a good garden is money in your pocket. Living costs are advancing so rapidly it is time to give some serious thought to raising your own fruit. Sugar is plentiful again and the fruit you produce can easily be preserved for use during the long, cold winter months. The way to have plenty of fruit is to grow your own—a small investment for fruit trees and bushes will provide an abundance of fruit for years to come. If you grow a garden for your own consumption, you will appreciate more than ever the dependability of Ackerman's nursery stock. You take no chances in ordering from us, for the quality of stock furnished is the highest it is possible to produce. Plant Ackerman's high-grade nursery stock in 1948 and you will have a good start towards big profits in 1949. Beautify and increase the value of your property with ornamental trees, shrubs and Evergreens.

The especially cold and very wet spring last year caused a great delay in shipping many of our orders for fields were too wet most of the time to dig nursery stock; however, we do not anticipate this condition this spring and therefore feel we can give you prompt service and have stock arrive as near the date specified as possible.

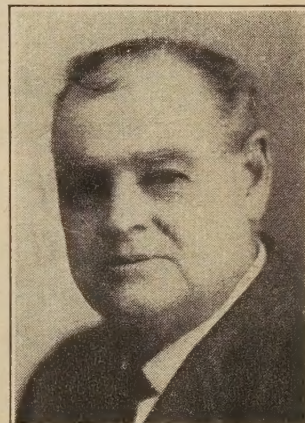

PLACE YOUR ORDER EARLY! We are offering special discounts for all cash orders placed early in the season, for we can take care of this work much easier before our shipping season opens up. Our shipping season usually starts the last week in February and continues through March, April, May and June. However, dormant trees and shrubs can be shipped to Southern States earlier. If a specified date is given as to time of shipment, we will try and ship as near that time as possible; if not, will ship at proper planting time for your locality. We feel sure your cooperation in placing your order early, so it may be booked before our rush season is on, will enable us to accommodate all of our customers in a very satisfactory manner.

KEEP ALL PAPERS. All papers pertaining to your order will be returned to you when order is acknowledged. **DO NOT DESTROY THEM.** If necessary to write us at any time, be sure and return everything sent to you, except planting instructions, including correspondence, original order and tags.

To our new friends who are receiving our catalog for the first time, we want to assure you that your order will be filled with high quality stock and will make you glad you tried ACKERMANS.

Orchard and Nursery Inspection
Certificate of Nursery Inspection
No. 6

This is to certify that the Nursery Stock of The Ackerman Nurseries, Bridgman, has been examined and found to apparently be free from dangerous insects and dangerously contagious tree and plant disease.

CHAS. FIGY, COMMISSIONER.

This certificate to be void after September 15, 1948. C. A. Boyer, Director, Bureau of Orchard and Nursery Inspection. Lansing, Mich., Aug. 29, 1947.

OUR GUARANTEE

We guarantee all of our nursery stock to be just as represented in our catalog; fully up to grade, of good quality, free from disease, and absolutely true to name; also to reach the customer alive, and in perfect growing condition.

Furthermore, we will, at our option, either replace free of charge, or refund purchase price on any stock that arrives in bad condition, providing claim is made within 10 days after arrival. After 10 days it is mutually agreed that stock is satisfactory. If stock is unsatisfactory on arrival, be sure to get a signed statement from your express agent or postmaster showing extent of damage, and send this along with your claim. Do not return plants unless so instructed by us.

Continued growth depends upon soil, climatic conditions, planting and care—conditions we cannot control—hence is not guaranteed.

It is mutually agreed that in any event we will not be liable for more than the purchase price of the stock. It is understood and agreed between the customer and ourselves that the purchaser's order and our acknowledgment of its receipt, shall constitute a mutual acceptance of the above terms and conditions.

THE ACKERMAN NURSERIES

Hardy Field Grown

HYBRID TEA ROSES

**Prices: All Varieties of Roses Listed on this Page
70c each; 3 for \$1.95; 6 for \$3.60. Not prepaid.**

AMI QUINARD. Deep velvety crimson, fragrant and very lasting; long pointed buds.

BETTY UPRICHARD. Outside a blend of carmine and coppery orange; inside a delicate salmon-pink.

BRIARCLIFF. A bright, clear shade of rose-pink. Perfect flowers with high pointed center; sweetly scented.

CALEDONIA. Exquisite long buds of ivory-white, changing to purest white as flowers open into large double blooms of soft velvety texture. Continuous bloomer.

CONDESA DE SASTAGO. Fully double rose carrying vivid coloring of coppery red and yellow; rich raspberry perfume.

DUQUESA DE PENARANDA. During the summer the pointed buds are a blend of apricot-orange and dark pink, opening to splendid blooms of rich coppery apricot; in the autumn they are cinnamon-peach. Sweetly perfumed.

EDITOR McFARLAND. Perfectly formed flowers are clear, brilliant, unfading pink. Erect stems. Very fragrant.

GOLDEN CHARM. Long buds open into richly scented blooms of golden yellow. Profuse bloomer.

GOLDEN OPHELIA. Gorgeous blooms of golden-yellow. Fragrant and free-flowering.

GRENOBLE. Glowing scarlet-crimson blooms on unusually long stems. Easily one of the best reds.

LOS ANGELES. A high center rose of two-toned pink.

EDITH NELLIE PERKINS. Delightful blend of pink, salmon and gold.

ETOILE DE HOLLANDE. Large, velvety crimson flowers. Deliciously perfumed. Long cutting stems. One of the finest.

FRAU KARL DRUSCHKI (Perpetual Hybrid). Pure white in color; perfect in form. Very free flowering.

E. G. HILL. Double, high-centered flower of dazzling scarlet; beautiful long bud.

HINRICH GAEDE. Luminous vermillion shaded with golden-yellow. The flowers are large, double, high-centered, and have a rich fruity fragrance. Free bloomer.

K. A. VICTORIA. Large, double, very fragrant white flowers, borne on long stiff stems.

LADY HILLINGDON. Well formed flowers of apricot-yellow. Good, strong, rugged grower.

MME. JOSEPH PERRAUD. Long, slender, pointed nasturtium-orange buds open to sweetly fragrant flowers of a charming nasturtium-buff, straying to a lovely shade of shell-pink at the petal edges.

PAUL NEYRON. (Hybrid Perpetual). Largest rose in cultivation. Color bright cerise-red, very fragrant. Flowers full and double.

PRES. HERBERT HOOVER. Multi-colored. Large flowers of scarlet, yellow, cerise, pink and flame. Perfect rose for cutting.

RADIANCE (Pink). Large, globular flowers. Blending of carmine-rose with shades of opal and copper.

RADIANCE (Red). Large, globular flower of an even, clear red. Constantly in bloom.

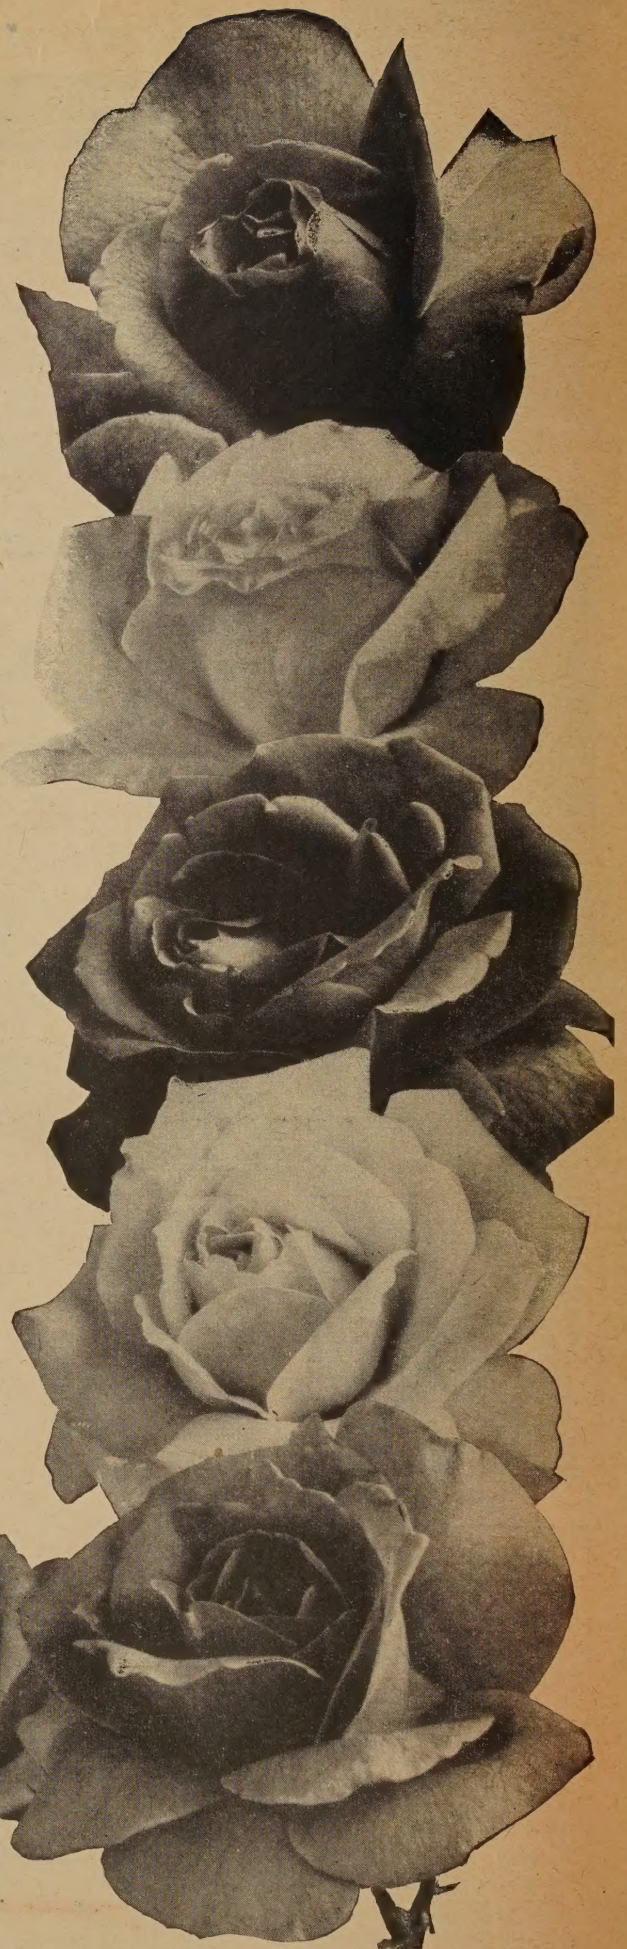

RADIANCE (Salmon). A clear, light salmon. Excellent addition to the Radiance family.

SOEUR THERESE. Long, pointed buds are chrome-yellow, heavily marked with carmine; the open flower is rich daffodil-yellow. Sweetbriar fragrance.

SUNBURST. A Pernet introduction. Gorgeous blooms of yellow and orange blend.

THE DOCTOR. Large long-pointed buds of sparkling pink slowly open to large flowers 5 to 6 inches across, which are a satiny, silvery pink. Very fragrant.

YELLOW CONDESA. Buttercup yellow. This clear, gleaming yellow, deliciously fragrant rose will be a joy to even the amateur gardener.

BARGAIN NO. 2

SPECIAL! 10 BUSH ROSES

Your choice, 1 each, any 10 varieties on this page. All 2-year, field-grown bushes. Will bloom this year.

\$5.25

Net, not prepaid

Four of the Best **Hybrid Tea Roses**

POINSETTIA. A rose of true poinsettia color; indeed one of the most brilliant red Roses ever produced. The buds are ideal in form, long and pointed, which open to a full petaled Rose. Bush is sturdy and hardy and a good grower. This Rose was awarded a Certificate of Merit by the American Rose Society. **Price 80¢ each; 3 for \$2.25.**

PICTURE. Flowers are very double, and open to velvety clear-rose pink with undertones of salmon. Strong and vigorous grower. A delightful addition to your Rose Garden. **Price: 80¢ each; 3 for \$2.25.**

MME. JULES BOUCHE. Long, shapely buds open to delightfully scented, cream-white flowers with a slight lemon tint in the center. Very double flowers on plants of medium height. Disease-resistant, vigorous grower, and a good bloomer. **Price 80¢ each; 3 for \$2.25.**

TALISMAN. Its brilliant orange-red buds open to large, fragrant, high-pointed blooms of glowing golden yellow stained with copper-red and orange-rose on inside of petals. As the petals unfold, they become bright apricot-gold, deep rose-pink or old rose, and unlike most Roses, the color becomes brighter as the flowers develop. Plants are vigorous, healthy and hardy growers. **Price: 75¢ each; 3 for \$2.10; 6 for \$3.85.**

BARGAIN NO. 3

4 Hybrid Tea Rose Bushes

One each, 4 varieties listed on this page.

\$2.65

Net, not prepaid

The Roses offered on these 2 pages will bloom continuously this summer and every year following, and are an investment in pleasure that will pay big dividends in colorful, fragrant flowers. Remember, our Roses are all strong, 2-year, field-grown bushes, ready to bloom.

ACKERMAN NURSERIES

Climbing Roses

AMERICAN BEAUTY. This climbing variety has delightful, well-formed blooms of rosy carmine. Splendid foliage. Very fragrant. **Strong, 2-year, field-grown bushes, 70¢ each; 3 for \$1.95.**

MME. GREGOIRE STAECHELIN (Spanish Beauty). Charming climber. Long-pointed buds flashing carmine opening into flowers of delicate pink. Long stems for cutting. Foliage disease resistant. **Strong, 2-year, field-grown bushes, 70¢ each; 3 for \$1.95.**

Climbing Talisman

K. A. VICTORIA. This very popular white rose (see page 4 for description), is now offered in a climber. **Strong 2-year, field-grown bushes, 75¢ each; 3 for \$2.10.**

MRS. P. S. DUPONT. Charming, yellow climber. Long-pointed buds of reddish gold, opening to a semi-double, cupped fragrant flower of deep golden yellow. Fine foliage. **Strong, 2-year, field-grown bushes, 75¢ each; 3 for \$2.10.**

PAUL'S SCARLET. The flowers, a vivid scarlet, are of good size, semi-double, very freely produced in clusters, on much branched canes. Blooms very long, holding flowers after many June bloomers have dropped their petals. **Strong, 2-year, field-grown bushes, 70¢ each; 3 for \$1.95.**

CLIMBING RED RADIANCE. This very popular red rose (see page 4 for description) is now offered in a climber. **Strong, 2-year, field-grown bushes, 75¢ each; 3 for \$2.10.**

CLIMBING TALISMAN. No doubt the bush Talisman has attained the greatest popularity of any Hybrid Tea, and now this amazingly beautiful rose comes as a climber. Beautiful two-toned shades of yellow and red. **Strong, 2-year, field-grown bushes, 70¢ each; 3 for \$1.95.**

Everblooming Baby Polyanthas

These are especially fine for solid beds and for borders. Ideal for cemetery planting because they are so easy to grow and bloom so freely. Constantly in bloom from early summer until freezing. Very hardy, growing everywhere and requiring very little care.

We are offering five varieties—five different colors, as follows:

EDITH CAVELL. Double flowers of the deepest blood-red. Grows 24 inches tall.

GOLDEN SALMON. Large clusters of bright salmon-orange. Grows 20 inches tall.

ORLEANS. Dwarf variety with double blooms of rich pink.

KATHARINE ZEIMET. White; sweetly scented. Grows 24 inches tall.

YELLOW POULSEN. Good size clusters of yellow bloom. Grows about 27 inches.

PRICES: Any of the above 5 varieties, 70¢ each; 3 for \$1.95.

Edith Cavell

FESTIVAL

U. S. Plant Patent No. 545

A Bright Scarlet, Thornless Sport of the Famous "E. G. Hill." Has retained the excellent growing habits and prolific blooming qualities of its ancestor, but has added the NEW QUALITY of having CANES FREE from THORNS! Produces large, double 42-petaled, bright-red blooms. Canes are as smooth as the branch of a Willow. Think of it, you can now work among your roses or pick a bouquet of flowers without getting your arms scratched or thorns in your fingers!

The introducer paid the owner of the plant patent on this remarkable rose the sum of \$10,000.00 for the patent, which is the largest sum ever paid for patent rights on any Rose. From his observations of this wonderful variety, he felt it was worth it—we feel certain you will also agree it was worth it when you plant and enjoy this unusual Thornless Red Hybrid Tea Rose.

The plants we offer are all number one, two-year, field-grown budded plants. Guaranteed to bloom the first normal blooming season after planting. Price: \$1.50 each; 3 for \$3.75. Net, no discount allowed.

The Thornless Climber (Plant Patent No. 687)

All the excellent qualities of the new THORNLESS ROSE, "FESTIVAL," described above, but in Climber form. Bright red blooms completely cover the bush in June with some repeat blooms throughout the summer under ideal conditions. Rapid, sturdy grower. Good canes and foliage but NO THORNS to scratch your hands. 2-year No. 1 plants, \$1.50 each; 3 for \$3.75, Net, no discount allowed.

DOUGLAS McARTHUR

U. S. Plant Patent No. 581

A New Rose that requires no coddling. The long, pointed buds open slowly into large, full blooms of a delightful blend of salmon-rose with coral undertones; the open bloom has deeply rolled petals of interesting formation. Very hardy, healthy, sturdy bush. Produces an abundance of delightful fragrant flowers from early June until freezing weather.

Price: 2-year No. 1 plants, \$1.50 each; 3 for \$3.75.

Blaze

BLAZE Climber

U. S. Plant Patent No. 10

This hardy, scarlet climber is a cross between Paul's Scarlet and Gruss an Teplitz. Blaze is seldom out of bloom; a generous display of bloom in June; and each succeeding year, as the plants become firmly established, the sturdy canes of "old wood" bring the everblooming characteristic to the fore. Large clusters of blazing scarlet flowers.

Price: \$1.50 each; 3 for \$3.75. Net, no discount allowed.

Douglas McArthur

PEACE Tea Rose

U. S. Plant Patent No. 591

Winner in All-American Rose Selection for 1946. Highest scoring Rose throughout the entire history of All-America Rose Trials. The shades and color of Peace vary amazingly with climate, soil and season. The buds are golden yellow, each petal edged with pink; its an enchanting thing to watch the buds open and the gold changes to ivory or alabaster white while the pink blush spreads and deepens along the edge of every petal. The blooms are unusually large, very double, long-lasting and constantly fresh looking, with a haunting fragrance. Sturdy bushes with excellent disease-resistant foliage; very vigorous grower, strong, stiff flower stems. Price: \$2.00 each; 3 for \$5.00. Net, no discount allowed.

Peace

Chrysanthemums

New Cut-Flower "Mums"

These hardy, cut-flower "Mums" are all the erect growing type; the varieties we are supplying are so new, they have not been named. We have made thousands of crosses among hardy Mums and these varieties are the results of this hybridizing. All varieties bloom in clusters or sprays carrying 4 to 5 flowers. The individual flowers are about an inch and a half in diameter and double to the center. These are especially excellent for cut flowers, due to their long, erect stems. These varieties come in pure **white, bronze, yellow, pink and red**. Specify color wanted.

PRICE: Strong plants, 60¢ each; 3 for \$1.65.

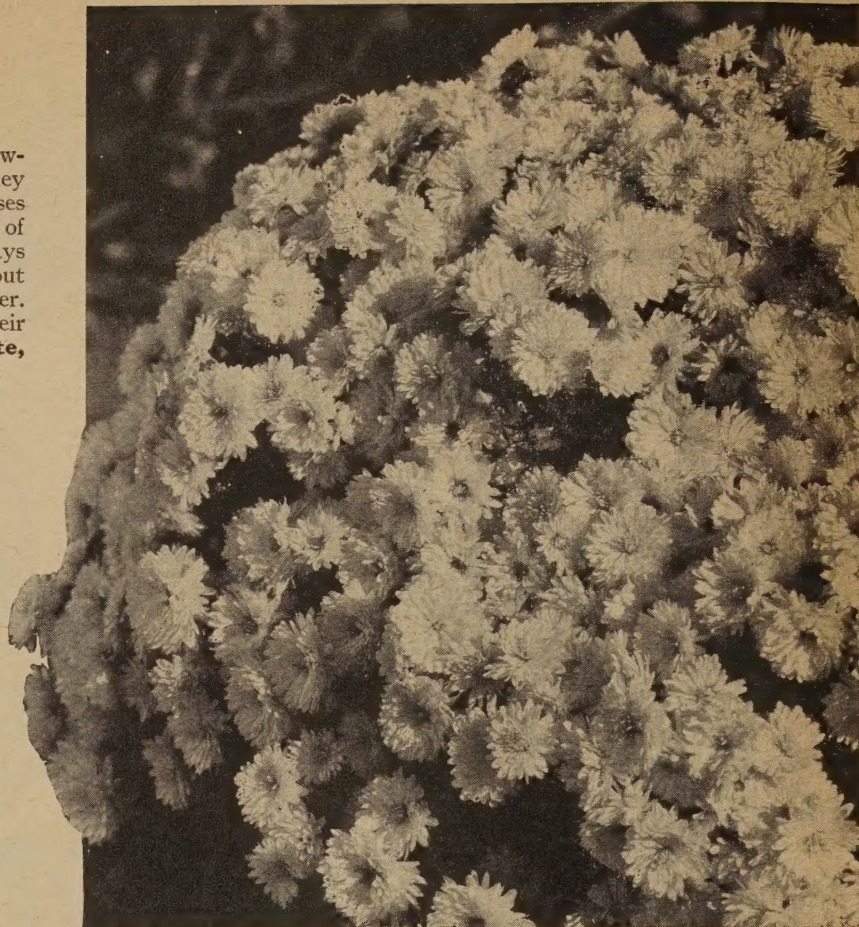

CUSHION CHRYSANTHEMUMS. These beautiful, showy "Mums" make a rounded, compact bush of immense size, producing hundreds of flowers at one time, and bloom continuously from August to Thanksgiving. Hardy and easy to grow. We offer these in **BRONZE, PINK, RED, WHITE and YELLOW**. Specify color wanted. **Strong, field-grown plants, 40¢ each; 3 for \$1.00; 6 for \$1.65.**

Cushion Chrysanthemums

Glorious HARDY PHLOX

We are offering 10 of the newest varieties below, selected of the hundreds of kinds grown today. All strong field-grown plants, which will bloom this summer.

Price: All varieties listed, 35¢ each; 3 for 90¢, not prepaid.

BLUE BOY. The most blue of all Phlox.

BRIGHT EYES. New bright rose pink, dark red eye.

CHIEFTAIN. Dark red. Flowers large and striking.

CHARLES CURTIS. Brilliant orange-red, which might be called Sunset-red. Does not fade with age. Unusually large flower heads.

MARY LOUISE. Pure white of unusually large size—individual flowers are twice as big as other white Phlox.

PRIME MINISTER. A good white with red eye. Strong grower.

ROYAL PURPLE. Rich purple, deep at the edges, shading to violet in center of petals, then deep reddish purple at eye. Early bloomer.

SAN ANTONIO. Vivid and brilliant flaming carmine heads, shaded plum red.

SWEETHEART. Truly a new beauty! Large, flower heads of deep salmon-pink.

STARBRIGHT. Beautiful blooms of plum purple shading to dainty lilac eye.

CANNAS

Plant these delightful flowers in beds or a border and you will have a brilliant display of color all summer and fall. Plant 18 inches apart each way. Plant in full sunlight, and do not plant too early. We supply large individual tubers, which will grow quickly and produce an abundance of bloom. We have selected six of the best kinds grown today, as follows:

CALIFORNIA. Medium. Orange-yellow flowers, green foliage.

HUNGARIA. One of the finest pinks; green foliage.

KING HUMBERT. Tall; scarlet flowers; bronze foliage.

PRESIDENT. Glowing scarlet, extra large trusses of brilliant color; green foliage.

RICHARD WALLACE. Medium. Canary-yellow flowers; green foliage.

COPPER GIANT. Tall. New! Giant flowers, old rose suffused with burnished copper; green foliage.

PRICE: All varieties listed, 3 for 75¢ 6 for \$1.35; 12 for \$2.25; 25 for \$3.50. Not prepaid.

Crimson King MAPLE

The Red Norway Maple
(*Acer platanoides schwedleri nigra*)
Patent No. 735

A REAL NOVELTY

This unusual tree is a beautiful form of Schwedler Maple which was originated in Europe. It is a brilliant crimson, which color it retains all through the summer months, whereas the Schwedler does not. It has been under observation in America for ten years and has kept its brilliant coloring all through the entire season both in the East and on the Pacific Coast. One of the most outstanding ornamental trees ever produced! Every home has a spot for one or more of these trees—it will increase the value of your home considerably.

PRICE: 2-Yr., 4-5 ft. trees, \$3.25 each; 2 for \$6.00.

CORNUS FLORIDA RUBRA

(Red Flowering Dogwood)

Early in the spring the tree is covered with masses of large, rose-red blooms. Tree is a symmetrically spreading tree, and attains a height of 20 feet at maturity. Beautiful green foliage which turns to a rich bronze red in the fall.

PRICE: 18-24 inch trees, \$1.95 each; 2 for \$3.50.

BARGAIN NO. 9

1 Red Leaf Peach
1 Cornus Florida Rubra

\$2.25

Net, not prepaid

NEW RED LEAF PEACH

The Sensational New Ornamental

Something entirely new in an ornamental! Many ornamental trees have been offered with colored foliage, but never an ornamental peach tree with **RED FOLIAGE**—bright red early in the spring, gradually dulling to a deep maroon towards fall. Its deep rose blossoms against the red foliage create a most pleasing contrast with your other plantings.

These trees produce a full crop of perfectly round inch and a half diameter peaches—just the size for pickling. Fruit has an all-over red coloring, flesh is white with a delicious sweet flavor. Ripens with the Gold Drop—real late.

A two-purpose tree—a grand ornamental which also produces a full crop of edible peaches.

PRICE: Fine 4-5 ft. trees, \$1.25 each; 2 for \$2.00.

GLADIOLUS

The Best of the Newer Kinds

Summer Flowering Hyacinths

(*Galtonia-Hyacinthus Candicans*). Plant in Spring—Bloom all Summer. A pure white, summer flowering Hyacinth. 20 to 30 bell-shaped flowers on huge 3 to 5 ft. stems. Plant in small groups or here and there in perennial beds. They bloom freely and will grow in all kinds of soil. Plant 4 inches deep. Culture same as Gladioli. **Price: Blooming size bulbs, 3 for 20¢; 6 for 35¢; 12 for 60¢; 25 for \$1.00.**

BEGONIAS

(Tuberous-rooted, Dbl. *Came-lia*—Flowering type). No flower grown can equal these for sheer exquisite beauty. They are widely used for pot plants for winter blooming and also for summer beds outdoors. These come in many shades and colors, but no particular color can be guaranteed. Grow 8 to 12 inches tall. When grown outside, take up before cold weather. **Price: 30¢ each; 5 for \$1.25; 10 for \$2.00.**

SHAMROCK

Brilliant pink flowers on 8- to 10-inch stems from early spring until frost. Rich green Shamrock foliage, which is shaded maroon in the center; usually has 4 leaves like the lucky-clover. Plant about 5 inches deep after ground warms up and take them up in the fall after frost has killed the tops. Excellent for borders, bedding, rockeries, etc. **Price: 20 for 40¢; 50 for 85¢; 100 for \$1.50.**

CALLA LILY

PINK CALLA. One of the most exquisite flowering plants. Will grow and bloom freely in pots. Beautiful bright pink; sweet scented. **Blooming size bulbs, 85¢ each; 3 for \$2.40.**

YELLOW CALLA. Beautiful pure golden yellow flowers. 4 to 5 inches broad. Leaves attractively marked with white spots. **Blooming size bulbs, 40¢ each; 3 for \$1.00.**

WHITE CALLA. The white Calla is truly one of the loveliest garden bulbs. Leaves are mottled green and white. **Blooming size bulbs, 40¢ each; 3 for \$1.00.**

RANUNCULUS

(Large-Flowered Hybrids.) A very popular cut-flower. This is by far the largest and finest strain of Large-Flowered Hybrids. The flowers are double and a blending of semi-double and single blooms. Blooms often measure 2 inches across, and range in color through all shades of red, rose, salmon, orange, yellow, etc. Culture is identical with that of the Gladiolus bulb. Can be planted outside after the ground thaws, or grown indoors in pots. No particular color guaranteed. **Price: Blooming size bulbs, 6 for 45¢; 12 for 80¢; 25 for \$1.50.**

Showy - Hardy MAGNOLIAS

MAGNOLIA SOULANGEANA

This is the most decorative and popular of the hardy Magnolias, producing very large, rose-colored blooms, often measuring from 3 to 5 inches across, just before leaves appear in the spring. Matures to a height of 8 to 10 ft. 18-24 in. trees, \$2.95 each; 2 for \$5.50. 24-30 in. trees, \$4.00 each; 2 for \$7.50.

MAGNOLIA SOULANGEANA NIGRA

One of the hardiest and finest of all the Magnolias. Flowers are a beautiful purple-red shade outside, while the inside is a delicate waxen white. Blooms measure from 5 to 7 inches across. Price: 18-24 in. trees, \$2.50 each; 2 for \$4.50. 24-30 in. trees \$3.75 each; 2 for \$7.00. 8-10 in. stock, out of 2½ in. pots, \$1.00 each; 2 for \$1.75.

MAGNOLIA TRIPETALA

Immense leaves, usually 12 to 24 inches long and from 7 to 10 inches wide. Leaves grow in clusters about the large white flowers and rose colored fruit cones. Matures to a height of 30 to 40 feet. Price: 2-3 ft. trees, \$1.75 each; 2 for \$3.25.

Rhododendron

RHODODENDRON

Rhododendrons have long been considered one of the most striking shrubs, but we are now offering the "Aristocrats" of all of them in these two beautiful Hybrids, which we consider the very finest strain of these majestic, broad-leaved evergreens. In May and June, every branch has magnificent clusters of handsome bloom. The Rhododendron will solve your problem for shady locations as it will grow and do well without much sunlight. They prefer an acid soil. This condition can be induced by an application of sulphate of ammonia, one to three pounds, sprinkled evenly over a square yard of surface and spaded in. We offer the following two varieties:

DR. DRESSELHUYS. Bright red flowers of enormous size, often 4 to 6 inches across. Excellent foliage. We consider this the finest.

CARACTACUS. Free-flowering, rich warm crimson with a very faint tinge of purple throughout.

PRICE OF ABOVE: 12 to 15 in., \$2.65 each; 2 for \$5.00.

DWARF RED LEAF MAPLE

Hardy, dwarf growing tree, seldom maturing over 10 feet. Their indented leaves are vivid blood-red in spring, which dulls to bronzy purple-red or bronze-green in fall. This grafted form is unexcelled for the bright spot of color on the open lawn or mixed with other shrubs. Fine, 18-24 in. trees, \$2.75 each; 2 for \$5.00. Baby size, 6-10 in., \$1.00 each; 2 for \$1.75.

BARGAIN NO. 13

FRENCH LILACS

Until you have seen these new Hybrid lilacs, you cannot realize how beautiful they are. Immense flower panicles with semi-double to double florets. They are perfectly hardy. Bloom quickest of all Lilacs, blooming very young—generally the next year after planting. Will not sucker. Carefully budded on hardy under-stocks. We offer these splendid Lilacs in five colors: Blue, Pink, Purple, Red and White. Price 18-24 in. shrubs, 75¢ each; 3 for \$2.10.

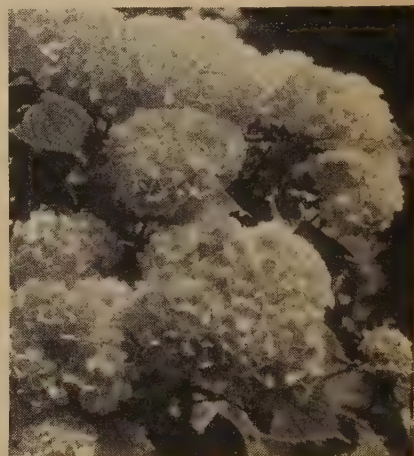

BARGAIN NO. 14

2 Azaleas

Blue Hydrangea

BLUE HYDRANGEA

Loveliest Novelty Ever Introduced. Immense blooms of most charming blue color imaginable. Flowers in great profusion. Blooms pink flowers on the one-year stems, followed by blue on the two-year wood. Cover in winter to protect from frost. Prefers an acid soil. Fine plants, out of 3-inch pots, 6-10 inch in height, 90¢ each; 3 for \$2.50.

VIBURNUM BURKWOODI

(Improved Carlesii)

Fragrant blooms are a blush white and form round, domed clusters; fragrance is like Gardenia. Attains a height of about 6 feet. Foliage brilliant in autumn and dark green in summer. Fine plants out of 2½ in. pots, 3-5 in. in height, 75¢ each; 3 for \$2.00.

VIBURNUM CARLESI

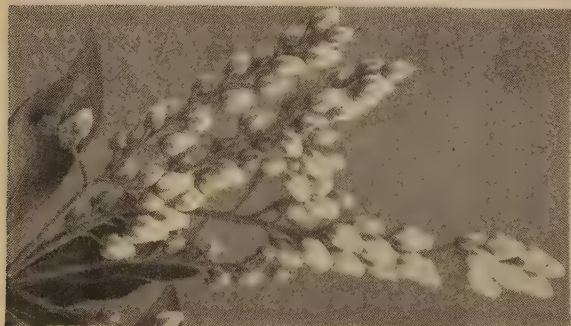

(The Pink Snowball)

Produces delicate, spice-scented flowers in May and June. The buds are pink, opening into clusters of pure white. The large flowers preserve their form and purity of color an unusually long time. Bush is low growing and of rounded form. Fine plants, from 2½-inch pots, 3-5 in. in height, 75¢ each; 3 for \$2.00.

PIERIS Japonica-Andromeda

(Lily-of-the-Valley Shrub)

One of the loveliest and most unusual shrubs in our collection. The graceful sprays of flower buds are formed in the autumn at the time when the foliage assumes glorious red and bronzy hues. But it is not until early spring that the buds open into creamy white flowers resembling lilies-of-the-valley. Attains a height of about 5 feet when matured. Will do well in half shade or full sun. Protect during the winter in cold climates. Fine, 18-in. shrubs, \$2.50 each; 2 for \$4.50.

Pieris Japonica-Andromeda

Viburnum Burkwoodi

Azalea Mollis

HARDY AZALEAS

Strikingly beautiful—a mass of color during May. For brilliant coloring, profusion of bloom and various uses, there are few, if any shrubs that can rival the Azalea. Hardy. Grow to 3 feet high, and do well in both sunny and partially shaded locations. Prefer an acid soil. We offer 4 varieties, as follows:

AZALEA MOLLIS. Assorted colors of yellow, terra-cotta, apricot and golden salmon; No guarantee as to color as they are hybrids. Fine 8-12 in. bushes.

AZALEA HARDYZER. Exceptionally good red, large flowering type. 8-12 in. bushes.

AZALEA ALTA CLARENSE. Considered the finest orange-yellow in existence. Trusses of molten gold open to a glorious pure yellow. Fine 4-10 in. bushes.

AZALEA BABEUF. Brilliant orange-red flowers. Fine 6-10 in. bushes.

PRICE: All Azalea listed above: \$1.00 each; 3 for \$2.75.

PINK WEeping WISTERIA

A rare Wisteria with pink flowers that are more lovely than any picture can illustrate. Hundreds of graceful clusters of exquisite pink throughout the summer. Very hardy. Our plants are from blooming wood, so you may be sure your plants will bloom (usually the second or third year after planting).

PRICE: 2-Yr. vines, from blooming wood, \$1.00 each; 3 for \$2.50.

DAPHNE CNEORUM

(Garland Flower)

Very dwarf shrub, with spreading branches covered with blue-green leaves. Almost evergreen. Each branch and stem is tipped with dense clusters of rose-pink, deliciously fragrant flowers, in April and May, and at intervals during the summer. Hardy but should be given a sunny location in northern states.

PRICE: Strong plant, from 3-inch pots, 90¢ each; 3 for \$2.50.

Wisteria

RED GLORY BUDDLEIA

Produces armloads of graceful 12- to 15-inch racemes of gorgeous ruby-red flowers from July until late fall. Attains height of 5 to 6 feet the first year. Hardy; will live for years. One of the finest red varieties ever offered.

Fine 2-Yr. plants, 65¢ each; 3 for \$1.80.

See page 14 for additional varieties of Buddleia.

HARDY RED CRAPE MYRTLE

This plant, which is so much a part of Southern Beauty, is now available in hardy form for those of us in more northern climates. Habits similar to Buddleia, as it dies down to the ground each winter in the North, but throws up new shoots each spring, and flowers in the summer. The flowers are a beautiful watermelon-red.

PRICE: 18-24 in. shrubs, 75¢ each; 2 for \$1.30; 4 for \$2.40.

Here's Inexpensive Beauty For You

CHOICE BUDDLEIAS

For delicate coloring, for their long blooming period, for hardiness and general dependability, these beautiful Buddleias described below are unexcelled. All perfectly hardy.

Dubonnet. A gorgeous color, similar to that of the famous French wine, Dubonnet. Glows a true red in sunlight. Of erect growth, strong-stemmed; firm, cylindrical spikes. **Fine, 2-year plants, 55¢ each; 3 for \$1.50.**

Blue Empress. A beautiful new Buddleia which produces an abundance of gorgeous delicate lilac-blue sprays of bloom from midsummer until late fall. The well filled, compact spikes are borne on strong stems; bushy shrubs attaining a height of 3 to 4 feet. **Fine, 2-Yr. plants, 65¢ each; 3 for \$1.80.**

Pink Charming. Elegant long sprays of beautiful pink blooms—often 12 to 15 inches long. Produces a bushy plant 5 feet high. **Fine 2-year plants, 65¢ each; 3 for \$1.80.**

Red Glory. A truly red variety. See page 13 for description. **Fine, 2-Yr. plants, 65¢ each; 3 for \$1.80.**

CHASTE TREE

(*Vitex macrophylla*)

Lovely lavender-blue flowers. A color rare in hardy shrub. Blooms from July till frost. Succeeds anywhere; grows 6 feet tall. **2-year, 18-24 inch shrubs, 60¢ each; 3 for \$1.50.**

KERRIA JAPONICA

(*Flora Plena*)

Golden flowers in June, with enough bloom throughout the summer to make a pretty display. Matures to 8 feet. Hardy. **2-Yr., 18-24 in. Shrubs, 75¢ each; 3 for \$2.00.**

JAPANESE SNOWBALL

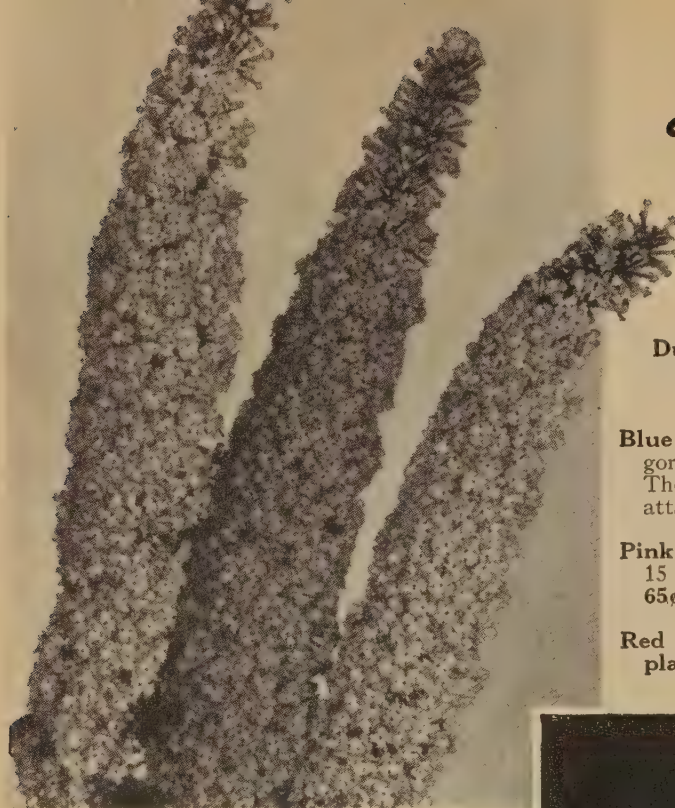

(*Viburnum Tomentosum*)

Known as Double-File Viburnum due to the fact of its unusual flower arrangement—its wheel-like clusters ringed with dazzling white flowers with spidery sunburst centers, are borne on the upper side of the branches in two rows, which creates an interesting effect. Its dark green leaves turn to a gorgeous crimson in autumn. It is of upright habit, with wide-spreading, horizontal branches. Not as susceptible to aphids as the common Snowball. Blooms late May. Very hardy. **2-Yr., 18-24 in. shrubs, 75¢ each; 3 for \$2.10.**

ABELIA GRANDIFLORA

(*Glossy Arbutus*)

Dainty, bell-shaped white and pink flowers from early spring until frost. Shiny, practically evergreen leaves look as though they had been waxed. About 5 feet at maturity. **2-Yr., 18-24 in. shrubs, 75¢ each; 3 for \$2.00.**

Kerria Japonica, Flora Plena

Beauty Bush

BEAUTY BUSH

(*Kolkwitzia Amabilis*)

Covered early in May with the utmost profusion of small, bell-shaped, clear pink flowers with brownish spots and veins. The tiny rose-colored buds are fascinating, hooded with fuzzy jackets which remain to decorate the seed pods. Graceful the year round and perfectly hardy. **2-year, 6 to 9 inch bushes, 45¢ each; 3 for \$1.20.**

REAL Aristocrats

Smoke Tree

SMOKE TREE

(Rhus Cotinus) Purple Fringe

Unique, spreading, tree-like shrub with large leaves. Overhung in mid-summer by cloud-like masses of mist-like flowers having the appearance of smoke. Foliage changes to a brilliant red and yellow in fall. Good as a single specimen on the lawn, or to mass with tall shrubs. 2-Yr., 12-18 in. bushes, 50¢ each; 3 for \$1.35

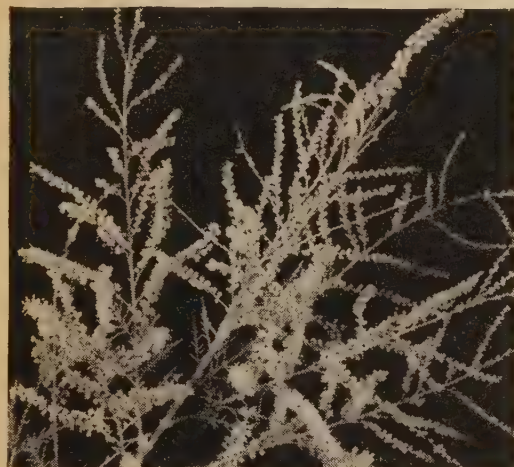

AMERICAN HOLLY

(Ilex Opaca)

An evergreen tree which has been acclimated to northern states. A moderate grower with spreading, short branches tapering upwards to a narrow head. Broad, oak-like shiny evergreen leaves with spiny teeth. Bush is covered with red berries in the fall, which remain on the branches nearly all winter. Prefers an acid soil. Field-grown, 15-18 in. shrubs, 95¢ each; 3 for \$2.70.

American Holly

Tamarix Hispida

TAMARIX HISPIDA

Graceful, feathery, silvery green foliage. A profusion of pink flowers during August and September—bloom panicles 9 to 12 inches long. Fine for bouquets. 6 to 8 feet at maturity. 2-Yr., 18-24 in. shrubs, 50¢ each; 3 for \$1.35.

BLUE ALTHEA

A rather scarce color in flowering shrubs. Has charming large, single flowers of deep blue shade, with a crimson eye. Blooms freely from early summer to late fall. 2-Yr., 18-24 in. shrubs, 50¢ each; 2 for 90¢.

Blue Althea

NEW OKA CHERRY

One of Prof. N. E. Hansen's newest and best Cherry - Plum introductions. Early bearing — very hardy — delicious flavor —

prolific. Dwarf bush habit; bears from the ground up. Showy blooms followed by full crop of fruit. Fruit is about one inch in diameter, purplish black skin and flesh. Very sweet. Ripens late July. Delicious to eat, for jelly and jam. Plant near your Plum trees.

Cherry Oka

Oka Cherry Blooms

2-Yr., 18-24 in. bushes, 70¢ each; 3 for \$1.95.
2-Yr., 2-3 ft. bushes, \$1.10 each; 3 for \$3.00.

PHILADELPHUS VIRGINALIS

Has very large, sweetly scented, pure white flowers in clusters of six or seven; closely resembles a bride's bouquet of orange blossoms. Single flowers on 1-year wood, double flowers on 2-year wood. 8 ft. at maturity. 2-Yr., 18-24 in. shrubs, 60¢ each; 3 for \$1.65.

Snowball

Hydrangea A. G.

Lilac, Persian Purple

American Cranberry

Weigela Variegated

FRENCH PUSSY WILLOW (*Salix Discolor*). A large, tree-like shrub with long, narrow leaves. Its popular appeal is the conspicuous silky catkins which bud in the fall and make such delightful, springlike bouquets just as the snow is melting away. **2-Yr., 18-24 in. shrubs, 40¢ each; 3 for \$1.10.**

SNOWBALL, Common. (*Viburnum Opulus Sterile*). The well-known favorite, prized by every gardener. It is really one of the prettiest grown. It has immense globular clusters of flowers in May and June; grows 9 to 11 feet high. **2-Yr., 18-24 in. shrubs, 60¢ each; 3 for \$1.65.**

HYDRANGEA A. G. (Hills of Snow). Large, flat clusters of white blooms from June to September. The most hardy of the Hydrangeas and especially useful for shady places. Excellent for solid low borders or in foundation planting. Very popular shrub. **2-Yr., 18-24 in shrub, 60¢ each; 3 for \$1.65.**

PERSIAN LILAC, Purple. A decided improvement over the common Lilac. A shrub with slender, arching branches, attaining a height of 8 to 10 feet. The foliage is small, the flowers bright purple. Blooms in May and June. A much more profuse bloomer than the common, and does not sprout so much from the roots. **2-Yr., 18-24 in. shrubs, 50¢ each; 3 for \$1.35.**

AMERICAN CRANBERRY. Selected by the U. S. Dept. of Agriculture for their especially fine fruit characters. They produce large, showy masses of white flowers in June, followed by clusters of large, brilliant red edible berries in late September. Highly ornamental and attractive. **2-Yr., 18-24 in. shrubs, 60¢ each; 3 for \$1.65.**

WEIGELA VARIEGATED. Sprays of rosy pink flowers like Floribunda except they are deep pink. Leaves are beautifully variegated green and white. Grows only 3 to 4 ft. high. Very beautiful. **2-Yr., 18 in. shrubs, 65¢ each; 3 for \$1.80.**

gradually change to pink. Valuable for winter decorations if flowers are allowed to dry on bush. Useful for foundation planting or for massing in borders. Hardy, easy to grow and blooms the first season planted. **2-Yr., 12-18 in. shrubs, 50¢ each; 3 for \$1.35.**

HIGHBUSH CRANBERRY (Viburnum Opulus). Magnificent shrub, of upright spreading form, with smooth, light gray branches and broad, oval, 3-lobed, bright green leaves. Produces small, white flowers which are borne in broad, flat clusters surrounded by a ring of large, sterile flowers. These are followed by very showy scarlet berries, which cling to the bush all winter. Grows 8 to 10 feet tall. **2-Yr., 18-24 in. shrubs, 50¢ each; 3 for \$1.35.**

CALYCANTHUS. The sweet-scented Shrub or Strawberry Shrub; also called Chocolate Shrub and Carolina Allspice. Flowers very double, a brownish purple in color, and deliciously fragrant. Blooms nearly all summer and is one of the most desirable shrubs; even the roots are very fragrant. Attains a height of 8 to 10 feet. **2-Yr., 18-24 in. shrubs, 50¢ each; 3 for \$1.35.**

DEUTZIA LEMOINEI. This is one of the beautiful hybrid Deutzias and it is particularly desirable as a specimen shrub because of its graceful habit and its profusion of bloom. It blooms about the middle of May and the masses of white flowers which are borne in thickly clustered panicles are very showy and attractive. Seldom attains a height of more than 3 to 4 feet. **2-Yr., 18 in. shrubs, 60¢ each; 3 for \$1.65.**

WEIGELA FLORIBUNDA. A beautiful, comparatively new shrub, with large, showy red flowers appearing in profuse clusters and almost hiding the glossy green leaves. Commences blooming early in spring, and continues all summer. This attractive shrub should be in every border planting. Grows 4 to 5 ft. tall. **2-Yr., 18-24 in. shrubs, 60¢ each; 3 for \$1.65.**

SPIREA PRUNIFOLIA (The True Old-Fashioned Bridal-wreath.) Small tight pure-white blossoms borne in great profusion in early spring. Glossy, round green leaves during the summer, which turn to pleasing shades in autumn. Tall, upright growing shrub, reaching a height of 8 feet when fully matured. Very hardy. **2-Yr., 18-24 in. shrubs, 50¢ each; 3 for \$1.35.**

~ Ready ~ to Bloom

RECIPE FOR MORE BIRDS

ANY SHRUB ON THIS PAGE

40¢ each; 3 for \$1.10

RED CHOKEBERRY. Pretty white flowers in April and May, with bright red berries and foliage in autumn. Grows to 6 feet at maturity. Attracts dozens of birds.

REDTWIG DOGWOOD. One of the best native shrubs; free flowering; very handsome when in bloom, and with its white berries on red stems in the fall. Grows compactly, 6 to 10 feet in height. 93 kinds of birds eat the fruit of this Dogwood.

WHITE SNOWBERRY. A desirable shrub with small, pink flowers, followed by large, white, wax-like berries, which hang on the plant through most of the winter. Is very showy and succeeds everywhere. Does well in shade. Grows 3 to 4 feet tall. Untold numbers of birds enjoy the berries of this shrub.

HONEYSUCKLE, TARTARIAN PINK. Bright pink flowers, followed by red berries in the fall. Bushy, upright. Grows 8 to 10 feet high. The berries of this shrub are known to be eaten by 118 kinds of birds.

RED SNOWBERRY. Often called Coralberry or Indian Currant. Similar to White Snowberry but with red berries. 53 species of birds feed on these berries.

HANSEN'S BUSH CHERRY. An ornamental shrub producing delicious fruit! Snow-white flowers in early spring, followed by fruit as large as any sweet cherry, but plum-shaped; good flavor—delicious to eat from the bush, fine for sauce, jams and jellies. Very hardy. Grows 4 to 5 feet tall. Enjoyed by 118 kinds of birds.

RUSSIAN OLIVE. Rugged, tree-like shrub, growing 10 to 12 feet high. Foliage is a beautiful silvery gray, contrasting sharply with other shrubs. Flowers are deep golden and very fragrant, followed by ornamental yellowish brown fruits with silver scales. Highly recommended for tall hedges to hide undesirable views.

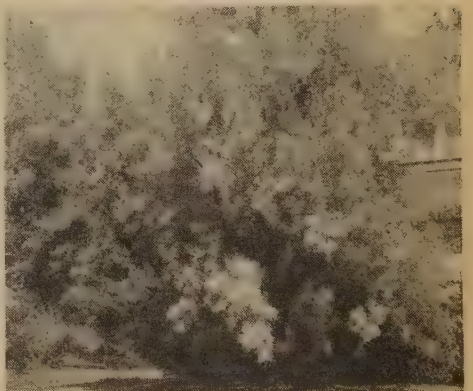

The Department of Agriculture estimates that insects do over a billion dollars' damage a year to our crops, while the value of birds in combating these insects is over 300 million dollars. Besides their value in destroying insects, many species help in keeping down weeds. Offer the birds board and lodging by planting berry producing shrubs, and you will have a host of willing helpers, working tirelessly for you throughout the whole year.

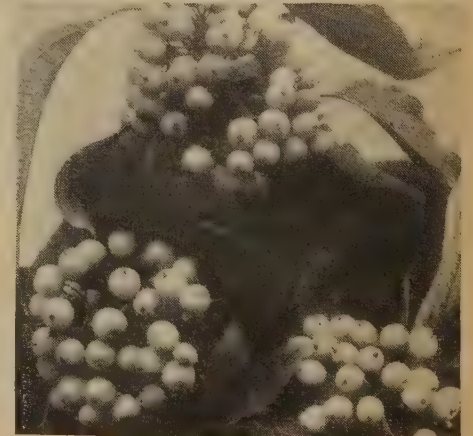

Insect-eating birds flock to farms where a side dish of brilliant shrub and tree berries has been planted.

Any Shrub on This Page 40¢ each; 3 for \$1.10
(Except as noted after description)

ALTHEA (Rose of Sharon). Beautiful tree-like shrub, blooming late in August and September with a profusion of large and brightly colored flowers. Grows 10 to 12 feet high. Attractive as a specimen or for hedges. **Your choice of pink or red. All double flowering.**

SPIREA CALLOSA ROSEA. A dwarf variety, growing 24 to 30 inches high, which produces large flat clusters of reddish pink flowers nearly all summer. Very handsome foliage. If flowers are removed as they fade, it will cause the plant to keep up a continuous bloom throughout the entire summer and early fall.

WEIGELA HENDERSONI. Beautiful, rosy-carmine, trumpet-shaped flowers in May and June. Grows about 4 to 5 feet tall. Healthy foliage, easy to grow.

SIBERIAN PEA SHRUB. Tall shrubs, 10 to 12 feet high, with bright green, compound leaves and many small clusters of yellow flowers in May and June. Useful for group or background planting. Hardest and best hedge shrub for the Northwest.

DEUTZIA, PRIDE OF ROCHESTER. Large, white flowers tinged with rose. Profuse bloomer. Very hardy. Grows 6 to 8 feet tall. Useful for specimens or background.

PURPLE LILAC. It is hard to outclass this old-fashioned purple Lilac. Early prolific bloomer, very fragrant. Very fast grower.

FORSYTHIA. Earliest blooming. Lights up the garden with masses of yellow flowers, often before the snow is gone. Tall grower.

MOCK ORANGE (Philadelphus Coronarius). Tall, hardy and vigorous. Blooms in May, in graceful sprays of large, white, fragrant flowers. Grows 8 to 10 feet tall.

WEIGELA ROSEA. Beautiful pink, trumpet-shaped flowers, May to June. Grows 5 to 6 feet tall. A good shrub; good flowers, good foliage, easy to grow. Similar to Hendersoni described above, but blooms are pink instead of carmine.

ROSE-ACACIA (Moss Locust). Elegant shrub, with light green pinnate leaves, and long, graceful clusters of pea-shaped, rose-colored flowers in June and often later. An attractive addition to any planting. 4 to 5 feet at maturity.

SPIREA VAN HOUTTEI. The flowers are pure white, and borne in dense clusters along the whole length of the branches. Excellent as a hedge plant or for grouping. Well branched. 2-year, 18-24 in. bushes, 20¢ each; 6 for \$1.00; 12 for \$1.85. Heavy, 2-3 ft. bushes, 30¢ each; 6 for \$1.60; 12 for \$3.00; 50 for \$11.00.

Spirea Billardi Rosea

RED JAPAN QUINCE. Very early in the spring, this fine, attractive shrub is completely covered with dazzling orange to scarlet flowers, followed by small, fragrant, quince-shaped fruits. Foliage dark, glossy green. Very desirable for single specimens; also hedges. Grows 5 to 7 feet tall. **2-Yr., 18-24 in. shrubs, 45¢ each; 3 for \$1.20.**

DEUTZIA CRENATA ROSEA. Here is a Deutzia that is different, and one which should be included in every planting. Beautiful, double pink flowers thickly stud the graceful upright branches in May. Matures to 3 to 5 ft. **2-Yr., 18-24 in. shrubs, 35¢ each; 3 for 90¢.**

TAMARIX AFRICANA. Tall shrub, 8 to 10 feet high, with fine feathery foliage and small, bright pink flowers, in slender racemes in April and May. Splendid for planting in damp or other places. **2-Yr., 18-24 in. shrubs, 35¢ each; 3 for 90¢.**

WITCH HAZEL (Hamamelis Vernalis)
Flowers in the winter. In January, February and March, great masses of orange and yellow bloom. Rarely exceeds 6 feet in height. Hardy, sweetly fragrant. An excellent, new shrub for border planting or individual specimens. **2-Yr., 18-24 inch shrubs, 50¢ each; 3 for \$1.35.**

PINK FLOWERING ALMOND. Early spring-flowering shrub, usually in full bloom before leaves appear. Growth dwarf and bushy, compact with slender branches. Fine plants to use in grouping or for lawn. **2-Yr., 18-24 in. shrubs, 60¢ each; 3 for \$1.65.**

SPIREA YELLOW NINEBARK. This is a very vigorous Spirea. Striking white blooms. The leaves of this variety are a golden yellow. After the flowering season is over, the flowers are followed with orange colored pea-pods. Matures 5 to 6 ft. **2-Yr., 18-24 in. shrubs, 40¢ each; 3 for \$1.10.**

ZABELI HONEYSUCKLE. A comparatively new Red Honeysuckle. Very compact, erect, well-formed bush maturing to 7 feet. Produces beautiful red flowers, which are followed by brilliant red fruits in late summer. Very hardy. **Strong, 18-24 in. shrubs, 50¢ each; 3 for \$1.35.**

SPIREA BILLARDI ROSEA. A distinct variety of the Spirea family. Long, lacy conical spikes of rose-pink flowers from June to August. Hardy. Matures 4 to 5 ft. Covered with beautiful bright pink bloom during the entire summer. **2-Yr., 18-24 in shrubs, 40¢ each; 3 for \$1.00.**

PERENNIALS for Permanent Garden Beauty

Pacific Hybrid Delphinium

DELPHINIUM (Pacific Hybrids). Giant stalks 4 to 6 feet tall, bearing enormous flower spikes. Individual blooms are double to semi-double; exceptionally large, often measuring 2 inches across. Delightful shades of blues, lavenders, and mixed colors. Free blooming and hardy. **No color guaranteed. Strong, field-grown plants, 35¢ each; 3 for 90¢; 6 for \$1.75; 12 for \$3.25.**

RUSSELL LUPINES. Tall spikes of bloom, often 3½ feet high, from June to September. Flower spikes resemble a closely set, well rounded column of sweet peas. A vast range of color. A most superior strain. **Field-grown plants, 45¢ each; 3 for \$1.25; 6 for \$2.25.**

BLEEDING HEART. Hardy old favorite with heart-shaped, rose-colored flowers in drooping spikes. **Strong, field-grown plants, with 3-5 eyes, 60¢ each; 3 for \$1.65.**

DOUBLE-FLOWERING HOLLYHOCKS. A new hybrid variety of an old favorite garden flower; this magnificent strain has fully double flowers of exquisite colors. They are so pretty, they scarcely look real. An excellent variety for a colorful background; grow four to five feet tall. Hardy, and easily grown. Bloom during June and July. Remember, these are **PERENNIALS** and do not have to be planted every year—plant them once and they are here to stay! Their brilliant coloring and general hardiness make them very desirable for all garden planting. We offer them in **Pink, Red, Salmon, White and Yellow.** Specify color wanted. **Field-grown plants, 30¢ each; 3 for 75¢; 5 for \$1.00.**

CATANANCHE—Caerulea major. (Blue Cupids-dart). Bright, deep violet-blue flowers, 2 inches in diameter. These beautiful double flowers are borne on 1½ ft. stems, in great profusion from July to frost. Fuzzy silver foliage. Silver buds and seed pods. **Field-grown plants, 45c each; 3 for \$1.20.**

AQUILEGIA (Long-spurred, Scott-Elliott Hybrids). One of the best perennials. Dainty, showy and desirable as cut flowers. Bloom in June and July. Prefers partial shade. A fine mixture of all shades. **Strong, field-grown plants, 35¢ each; 3 for 90¢.**

CANTERBURY BELLS. Plants attain 2½ feet in height, profusely covered with large, bell-shaped flowers. Bloom May to July. Beautiful array of color, ranging from white, pink, rose, through all shades of blue and purple. No color guarantee, for we furnish these in mixed only. **Strong, field-grown plants, 35¢ each; 3 for \$1.00; 6 for \$1.85.**

HARDY PERENNIALS *are a*

Dianthus, Pink Dawn

Coreopsis Dbl. Sunset

GOLDEN ACHILLEA. A hardy plant which attains a height of 4 to 5 feet with many stems, each stem being topped by large, flat, clustered bloom 4 to 5 inches across. Color is a brilliant yellow. Start blooming in June and continue through into Sept. **Field-grown plants, 45¢ each; 3 for \$1.20; 6 for \$2.10.**

DIANTHUS, PINK DAWN (*Dianthus Caesius*). Hundreds of flaming, star-shaped flowers borne on a dwarf, bushy plant, resembling a pincushion. Bluish green foliage. Perfectly hardy. Excellent for rockery or perennial border. **Field-grown plants, 45¢ each; 3 for \$1.20.**

SHILKA IRIS (The Everblooming Poor Man's Orchid). Blooms are oddly shaped; many

come double. Lovely delicate hues of superb blue and purple, mingled with cream and white. Extremely hardy and blooms from late June on into July for about a month. **Strong, field-grown plants, 30¢ each; 3 for 75¢.**

PINK BABY'S BREATH. Established plants reach a height of about 2 feet, and are in bloom throughout the summer and fall. Foliage is a fine blue-green and very graceful. Flowers are of a delicate pink. Ideal for cutting. **Strong, field-grown plants, 45¢ each; 3 for \$1.20.**

DOUBLE COREOPSIS. A profusion of showy yellow blooms all summer long. Long stems and fine for cutting and mixed bouquets. Very hardy and easy to grow. Note photo at left. Attains a height of about 2 feet. **Strong, field-grown plants, 35¢ each; 3 for 90¢; 6 for \$1.75.**

HARDY AGERATUM (*Eupatorium Coelestinum*). A grand plant, making a valuable addition to the perennial border. Grows 12 to 14 inches tall, producing lovely lavender-blue flowers in abundance from August until frost. An excellent variety for cut flowers. **Strong, field-grown plants, 35¢ each; 3 for 90¢; 6 for \$1.75.**

LYCHNIS CHALCEDONICA (Maltese Cross). This old-fashioned flower is one of the brightest plants in the hardy perennial border. Dense heads of vivid scarlet flowers all summer. A grand border plant, attaining a height of about 3 feet. **Field-grown plants, 35¢ each; 3 for 90¢.**

ARMERIA, GLORY OF HOLLAND. Large, fluffy balls of clear deep pink, about 2 inches in diameter, are produced on the tip of each stem. Blooms all summer. Valuable for cutting. **Field-grown plants, 50¢ each; 3 for \$1.35.**

HARDY CARNATIONS. Exotically perfumed flowers in great abundance all summer. Large Flowers. **Choice of Pink, Red, White or Yellow.** State color wanted. **Field-grown plants, 25¢ each; 5 for \$1.15.**

ALYSSUM SAXATILE (Gold Dust). Fine border or rock plant with masses of bright yellow flowers, green leaves. Blooms in May.

Grows 12 to 15 inches high. Easy to grow; thrives in most all soils. **Field-grown plants, 30¢ each; 3 for 80¢; 6 for \$1.50.**

Platycodon, Blue

LYTHRUM (Carmine Prince).

This new Morden's Lythrum is indeed an outstanding perennial. It grows into a neat symmetrical plant 3 feet tall, with graceful spikes of bright rosy-red flowers. A continuous bloomer from early summer to frost. Excellent for cutting—the more you cut it, the more it blooms. Very hardy. Thrives in all soils, in sun or part shade. **Field-grown plants, 40¢ each; 3 for \$1.00.**

False Dragonhead

PHYSOSTEGIA, Summer Glow

(False Dragonhead). New and very fine hybrid in the False Dragonhead family. Colorful, clustered, 18-inch spikes in rosy-crimson on towering 4 ft. stems. In full flower in mid-August. Splendid for backgrounds or cut flowers. **Field-grown plants, 35¢ each; 3 for 90¢.**

Lythrum

FEVERFEW (*Matricaria*).

A most useful dwarf edging plant. Fine double white flowers resembling tiny pompon Chrysanthemums. Very free flowering from June until October. **Field-grown plants, 35¢ each; 3 for 90¢.**

SHASTA DAISY. Pure

white, double flowers on strong, wiry stems 24 to 30 inches in length; in bloom for Memorial Day. Profuse bloomer. **Field-grown plants, 50¢ each; 3 for \$1.35.**

RED HOT POKER (*Tritoma Pfitzeri*). Flaming scarlet flowers, the opened lower petals rimmed with orange. Grow 18 to 24 inches tall. Bloom August to October. **Field-grown plants, 40¢ each; 3 for \$1.10.**

BLUE FLAX (*Linum Perenne*). Delightful heavenly-blue flowers are produced all summer long, May through August. Attractive, graceful foliage of a bluish hue. Ideal for borders and rock gardens. Hardy. **Field-grown plants, 35¢ each; 3 for 90¢; 6 for \$1.60.**

PLATYCODON, BLUE (Blue Balloon Flower). Large, deep blue, bell-shaped or broadly cup-shaped flowers, growing 1½ to 2 feet tall. Handsome dark green foliage. Very hardy. Will do well in both sun and shade and will grow on any well drained soil. Blooms July and August. **Field-grown plants, 35¢ each; 3 for 90¢; 6 for \$1.60.**

VERONICA (Blue Bird). One of the handsomest blue-flowering plants. Its 2-foot spikes are completely covered with beautiful blue flowers. Blooms July to September. Hardy, increases in strength and beauty each year. Excellent for cutting and perennial border. **Field-grown plants, 40¢ each; 3 for \$1.00.**

SWEET WILLIAM. Popular garden flower, showing a wonderful array of vivid colors in fancy patterns. Flowers are colored, clustered and shaped much like Phlox, the markings being more sharply defined. Blooms from late spring and practically throughout the entire summer. **Field-grown plants, 30¢ each; 3 for 80¢; 6 for \$1.50.**

Ackerman's EVERGREENS

Biota Aurea Nana

Biota Bonita

BIOTA AUREA NANA (Berkman's Golden Arbor-Vitae). A very compact slow-growing type. The flattened leaf-clusters, face outward edgewise. Fresh yellow-green in color. Balled and burlapped, 24-30 in. XXX trees, \$3.25 each; 2 for \$6.00. 30-36 in. XXX trees, \$3.85 each; 2 for \$7.50. Baby size, 8-10 in. 60¢ each; 2 for \$1.00.

BIOTA BONITA. Dwarf growing. Same as Aurea Nana, but foliage is bright green. Balled and burlapped, 18-24 in. XXX trees, \$2.75 each; 2 for \$5.25. 24-30 in. XXX trees, \$3.25 each; 2 for \$6.25. No baby size in this variety.

WOODWARD ARBOR-VITAE. Most popular globe, retaining shape without trimming. Seldom attains a height of more than 3 feet. Foliage is dense, and of deep sea-green shade. Balled and Burlapped, 15-18 in. XXX trees, \$3.00 each; 2 for \$5.50. Baby size, 8-10 in. 60¢ each; 2 for \$1.00.

SPREADING YEW (*Taxus Cuspidata*). Spreading variety. Habit of growth similar to Pfitzer Juniper. Foliage is a shade of dark green different from other evergreens—rich, waxy, green foliage. May be sheared for a low hedge, allowed

to throw out its graceful wands for informal corner planting, or kept trimmed back into close compact shape. Numerous red berries form and hang close to the branches all winter. Withstands heat and cold and will also do well in shade. Balled and burlapped, 18 in. XXX trees, \$3.50 each; 2 for \$6.50. Baby size, 6-8 in., 60¢ each; 2 for \$1.00.

HATFIELD YEW (*Taxus Capitata* Hatfieldi). This is a columnar form with branches ascending almost vertically; the upper part of the tree is usually wider than the bottom, giving it a graceful vase form. Shape can be controlled by trimming. Tree is clothed with rich, waxy, green foliage characteristic of all Yews. Balled and burlapped, 15-18 in. XXX trees, \$3.25 each; 2 for \$6.00. Baby size, 6-8 in., 60¢ each; 2 for \$1.00.

\$12.50

You will note 4 Green Barberry in the foreground this picture; these are not included in the above order.

IRISH JUNIPER. Erect and slender, formal and columnar in form. Light bluish green color, rapid growers, and hardy. Balled and burlapped, 2½-3 ft. XXX trees, \$3.25 each; 2 for \$6.00. 18-24 in. XXX trees, \$2.25 each; 2 for \$4.00. Baby size, 8-10 in., 50¢ each; 2 for 90¢.

SPINY-GREEK JUNIPER (*Juniperus Excelsa stricta*). This beautiful variety forms a tall, beautiful tree; broad base, gradually tapering to a tall dense conical head. Color is a fine glaucous blue. Balled and burlapped, 24-30 in. XXX trees, \$3.25 each; 2 for \$6.00. 15-18 in. XX trees, \$1.50 each; 2 for \$2.75. Baby size, 8-10 in., 50¢ each; 2 for 90¢.

SAVIN'S JUNIPER. One of the most beautiful of the spreading evergreens. Rather upright, plume like branches are densely covered with right green, short tufted foliage. Habits similar to Pfitzer's Juniper. Balled and Burlapped, 12-15 in. XX trees, \$2.00 each; 2 for \$3.75. Baby size, 8-10 in., 50¢ each; 2 for 90¢.

PFITZER'S JUNIPER. Low, spreading type, deep green foliage with grayish cast. Withstands considerable shade. Balled and burlapped, 24-30 in. XXX trees, \$4.25 each; 2 for \$8.00. 18-24 in. XXX trees, \$3.25 each; 2 for \$6.00. Baby size, 8-10 in., 55¢ each; 2 for \$1.00.

ANDORRA JUNIPER. A prostrate creeping type very valuable for planting in areas where height is a controlling factor. Silvery green foliage in the spring and summer, turning at the first touch of frost to a beautiful mauve-pink. Very hardy. Balled and burlapped, 12-15 in. XXX trees, \$2.00 each; 2 for \$3.75. No baby size in this variety.

CANNARTI JUNIPER. It is one of the most popular Junipers of upright growth for foundation plantings, entrances. Foliage extremely rich, dark green, heavily tufted. Very hardy. Balled and burlapped, 24-30 in. XXX trees, \$3.75 each; 2 for \$7.00. 30-36 in. XXX trees, \$4.75 each; 2 for \$9.00. No baby size in this variety.

BLUE JUNIPER (The Silver-Blue Pfitzer). Patent No. 422. A new Evergreen with a beautiful new silvery blue color. It is low growing like the Pfitzer's; grows a little more compact and has slightly finer foliage. The color is as deep and even as the Koster Blue Spruce. It is one of the few Evergreens which is entirely hardy in any section of the country. Balled and burlapped, 18-24 in. XXX trees, \$4.00 each; 2 for \$7.50. No baby size in this variety.

American Wonder Lemon

AMERICAN WONDER LEMON (Grows Lemons Indoors on Small Plants). Sometimes offered as Ponderosa Lemon. The most unique plants ever offered for indoor culture. Covered with waxy white flowers several times each year, nearly as large as Tuberoses and as fragrant as Orange Blossoms. Flowers are followed by large lemons of high quality. Fruit often weighs more than a pound. **Strong plants from 2 1/4-inch pots, 55¢ each; 2 for \$1.00. 4-inch pots, \$1.50 each; 2 for \$2.75. Net, no further discount.**

New Dwarf Orange

NEW DWARF ORANGE (Otaheite Orange). A grand pot plant of great beauty and novelty. Its glossy green leaves, fragrant waxy white, faintly tinted with pink, blossoms create a most pleasing sight. Although it attains a height of 3 to 4 feet, it is not uncommon to have 6-inch plants full of bloom and producing a few oranges. Fruit is about one-fourth the size of an ordinary orange. A 5-inch pot has been known to carry 10 to 12 oranges at one time. **Strong plants from 2 1/4-inch pots, 55¢ each; 2 for \$1.00. 4-inch pots, \$1.50 each; 2 for \$2.75. Net, no further discount.**

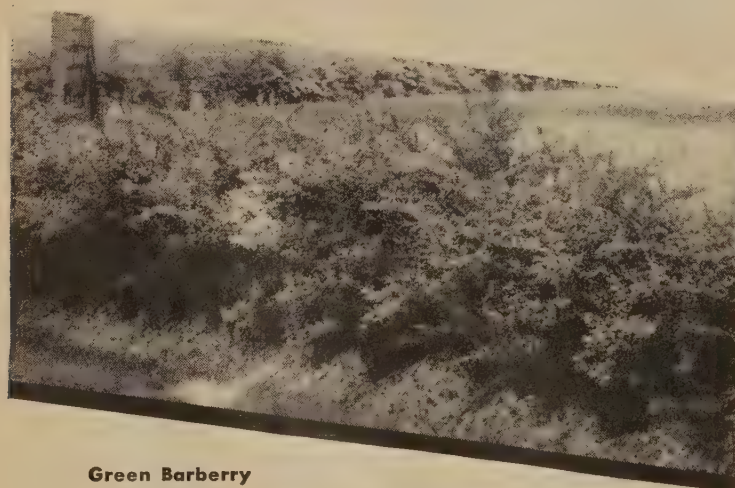

The Rose Gardenia

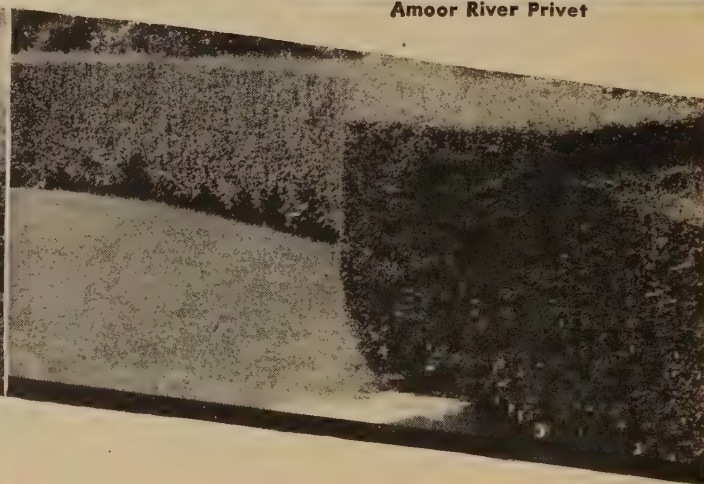

THE ROSE GARDENIA (*Gardenia Veitchii*). The Gardenia is the most popular and fashionable flower—the flower of romance! It makes a grand house plant. Blooms from early spring until fall. Flowers are waxy white; foliage rich glaucous green. Plants prefer living room temperatures. Culture same as Geraniums. **Price: Strong plants, from 2 1/4-in. pots, 65¢ each; 2 for \$1.20. 3-in. pots, \$1.15 each; 2 for \$2.00. Net, no further discount.**

Amoor River Privet

Green Barberry

HEDGE PLANTS

GREEN BARBERRY (*Berberis Thunbergii*). Immune from rust. Dwarf growing, uniformly bushy and rounded in form, numerous leaves covering thorny twigs. As a filler edging for shrubbery, as foundation screen in front of porches, as a hardy, low hedge, it is unsurpassed. **Price: 1-year hedging, 6 for 75¢; 12 for \$1.20; 25 for \$2.25; 50 for \$4.00; 100 for \$7.00. 2-Yr., 9-12 in., 25¢ each; 6 for \$1.35; 12 for \$2.25; 25 for \$3.75; 50 for \$6.50; 100 for \$11.00. 2-Yr., 12-15 in., 30¢ each; 6 for \$1.65; 12 for \$3.00; 25 for \$5.50; 50 for \$9.00.**

RED BARBERRY. Similar to Green Barberry in all respects except color is a brilliant red. Early spring, assumes a deep, bronzy-red color, which it retains until fall, when it changes to vivid orange, scarlet and red shades, far more brilliant than the ordinary Japanese Barberry. **Price: 1-year hedging, 6 for \$1.35; 12 for \$2.25; 25 for \$3.95; 50 for \$7.00; 100 for \$12.00. 2-Yr., 9-12 inch, 30¢ each, 6 for \$1.65; 12 for \$3.00; 25 for \$5.50; 50 for \$9.00. 2-Yr., 12-15 inch, 45¢ each; 6 for \$2.50; 12 for \$4.50; 25 for \$7.50; 50 for \$14.00.**

CHINESE ELM. Chinese Elm makes one of the finest of hedges. Especially desirable for states of light rainfall and where extreme hardiness is required. The hedge, limbs clear to the ground, is a bright rich green from very early in the spring, as it is much earlier than other hedges and carries the foliage, which colors with frost, way into the fall. Trim same as Privet or other similar hedges. **2-year, 2-3 ft., 6 for 60¢; 12 for \$1.10; 25 for \$2.00; 50 for \$3.65; 100 for \$6.00.**

AMOO RIVER NORTH PRIVET. One of the best hedge plants because of its extreme hardiness. It is of similar form and habit to the well-known California type, but much hardier. Of fine, upright growth with lustrous dark green foliage, nearly evergreen. Grows quickly, making a hedge the first year, and succeeds in practically all soils. Especially valuable for hedges and borders in cold, exposed locations. When planting, cut back to 4 inches above ground to make hedge bushy at bottom. **Price: 2-year, 12-15 inch, 6 for 90¢; 12 for \$1.35; 25 for \$2.50; 50 for \$4.50; 100 for \$8.00. 2-year, 18-24 inch, 6 for \$1.50; 12 for \$2.25; 25 for \$3.95; 50 for \$7.00; 100 for \$11.50.**

RUSSIAN MULBERRY. Hardy in all states—never winter-kills. Superior to other kinds, as it makes a dense hedge from the ground up. Unlike most other hedge varieties as to growth and shape of leaves; very attractive hedge, altogether different than old common varieties. Cannot be surpassed for tall hedge to hide unsightly views, or can be pruned to any height desired. **Price: 2-year, 18-24 inch, 6 for \$1.00; 12 for \$1.75; 25 for \$2.75; 50 for \$4.95; 100 for \$8.00.**

American Bittersweet

Clematis Jackmani

Honeysuckle, Flaming Beauty

Silver Lace Vine

CLEMATIS JACKMANI. Immense Flowers of an intense violet-purple color continuously throughout the summer. As with all Clematis, make certain the collar of the plant is set 2 to 3 inches below the surface of the soil. Strong plants, 80¢ each; 3 for \$2.25.

CLEMATIS, RED JACKMANI, RUBRA
Just as vigorous and free-blooming as the purple, with large flowers in a beautiful shade of bright red. Strong plants, 85¢ each; 3 for \$2.40.

CLEMATIS LAWSONIANA. Most prolific bloomer of all! June to September. Marine-blue, pink overtone. Large overlapping petals. Strong growth, 10 to 12 ft. Strong plants, 80¢ each; 3 for \$2.25.

BOSTON IVY. One of the finest hardy climbers for covering walls and trunks of trees, as it clings firmly to any surface. Deep green in summer, bright red in autumn. 2-year vines, 50¢ each; 3 for \$1.25.

CLIMBING VINES

HALL'S JAPAN HONEYSUCKLE. Strong, vigorous vine, with pure white flowers changing to yellow. Fragrant blooms all summer. 2-year vines, 30¢ each; 3 for 85¢.

SILVER LACE VINE. Unusually charming. Climbs gracefully anywhere. Grows very rapidly, averaging 25 feet in a season. A well grown specimen is a cloud of lacy, misty white shot with tints of cream and pale rose, of exquisite effect. Blooms late summer and fall. Strong, 2-yr. vines, 55¢ each; 3 for \$1.50.

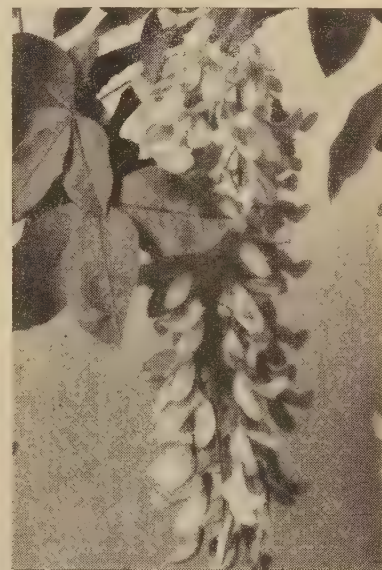

AMERICAN BITTERSWEET. Handsome, glossy foliage, and large clusters of beautiful, orange-crimson berries, remaining all winter. Charming for winter house decorations. 2-year vines, 40¢ each; 3 for \$1.00.

CHINESE PURPLE WISTERIA. Elegant and very rapid growing. Has long, pendulous clusters of pale blue flowers in May and June, and in autumn. 2-year, choice specimens, from blooming wood, 60¢ each; 3 for \$1.65.

PINK WISTERIA (See page 38).

HONEYSUCKLE, FLAMING BEAUTY

The Wonder plant of the Century. Everblooming. A loncera that will fill that long-felt need of a variety that will produce continuous bloom. Blooms all summer with beautiful red flowers. Very highly scented. Wonderful foliage. We feel sure you will not regret placing several of these in your order. 2-Yr. vines, 55¢ each; 3 for \$1.50.

Purple Wisteria

KUDZU VINES. Hardy. Large foliage and dense shade. Runs 30 to 40 feet in one season. Blooms in August. Rosy purple, pea-shaped flowers, in small racemes. 2-year vines, 35¢ each; 3 for 90¢.

ORNAMENTAL TREES

EUROPEAN MOUNTAIN ASH (*Sorbus Aucuparia*).

A hardy, medium size tree; head dense and regular. Covered from July until winter with large clusters of bright red berries. 2-year, 3-4 feet trees, \$1.25 each; 2 for \$2.00.

AMERICAN WHITE BIRCH (*Betula alba*). (Canoe Birch).

A large, vigorous upright tree with broad, handsome leaves and brilliant white bark. (Note the bark of young trees has a reddish cast, which disappears within a year or two from planting.) 2-year, 3-4 feet trees, \$1.00 each; 2 for \$1.75

CORNUS FLORIDA (White Flowering Dogwood).

White flowers before leaves appear. Grayish green foliage, turning red in fall. Tall growers. 2-year, 2-3 ft. trees, 75¢ each; 3 for \$2.00.

CHINESE ELM (*Ulmus Pumila*).

Very rapid grower. Will give ample shade in only 5 or 6 years. Dense, dark green foliage. First to leaf out in the spring. Very hardy. 2-year, 4-5 feet trees, 50¢ each; 3 for \$1.35. 6-8 feet trees, \$1.10 each; 3 for \$3.00. 3-year, 8-10 feet trees, \$1.50 each; 3 for \$4.00.

HAWTHORNE, ENGLISH (*Crataegus phaenopyrum*, *cordata*).

A medium growing tree, about 12 ft. high, with rather wide crown. Has creamy-white flowers during June, which are followed by brilliant red berries which remain on the tree most of the winter; berries attract many birds, including the Cardinals and Cedar Wax Wings. Foliage is a deep green during summer, turning to orange and red in autumn. Very hardy; free from insects. Good for a clipped 6-ft. hedge. 2-Yr., 12-18 in. trees, 75¢ each; 3 for \$2.00; 6 for \$3.75.

JUDAS TREE (or) (Redbud Tree)

(*Cercis Canadensis*). Beautiful bright pink blossoms in early spring before leaves appear. Medium size tree with large, irregular head and heart-shaped leaves. Very hardy. 2-Yr., 2-3 ft. tree, 50¢ each; 2 for 90¢.

MAPLE, SILVER.

Very hardy, rapid growing tree. Their irregular growing leaves are silvery green, which turn yellow and bronze in the fall. 2-Yr., 4-5 ft. trees, 60¢ each; 3 for \$1.65. 5-6 ft. trees, 90¢ each; 2 for \$1.60. 3-Yr., 8-10 ft. trees, \$2.25 each; 3 for \$6.00.

Silver Bell Tree

POPLAR, LOMBARDY. Tall, tapering tree, rapid grower; dark green leaves with lighter surface underneath. 2-Yr., 6-8 ft. trees, \$1.00 each; 3 for \$2.75. 8-10 ft. trees, \$1.50 each; 3 for \$4.00.

PRUNUS CISTENA (Purple Leaf Plum).

Shows more red in colored leaves, lower growth and more compact than the common variety, glossier leaves. The dwarf tree comes out red in the spring, stays red all summer and bronze-red in the fall. Beautiful, single, pink flowers in May. 2-year, 2-3 feet trees, 55¢ each; 2 for \$1.00.

PRUNUS TRILOBA (Double-Flowered Plum).

This small tree is covered with double pink blooms early in spring, before the leaves appear. Seldom taller than 8 feet. 2-year, 2-3 feet trees, 85¢ each; 2 for \$1.60.

SILVER BELL TREE (*Halesia terape-*

tera). Sometimes called the Snowdrop Tree. Bell-shaped flowers are carried in drooping clusters in early spring. An unforgettable picture when every branch is strung with drooping soft pink buds in the spring, still beautiful later when buds expand into drooping pure white snowdrop-like flowers. Height 30 feet when matured. 2-Yr., 2-3 ft. trees, \$1.25 each; 2 for \$2.25.

TULIP TREE (*Liriodendron Tulipifera*).

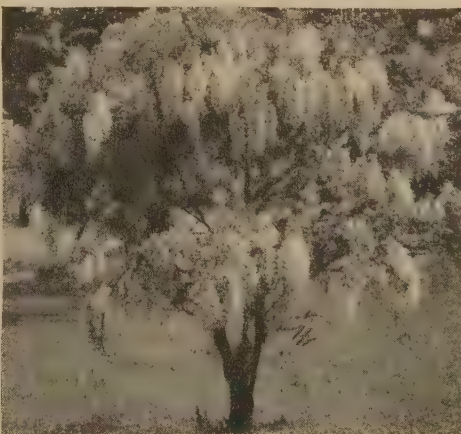

An Ornamental Tree with Unusual Flowers. A large, stately tree with smooth bark, glossy light green leaves and spreading branches. Flowers are 1½ to 2 inches long, light greenish yellow and are tulip shape; blooms appear in late May and early June. Tall growing, and hardy. 2-Yr., 3-4 ft. trees, \$1.00 each; 3 for \$2.75. 4-5 ft. trees, \$1.50 each; 3 for \$4.25.

WILLOW, WISCONSIN WEEPING

(*Salix blanda*). A graceful tree of large size. Its long fine leaves on slender branches are a fresh, bright green tint. Rapid grower. 2-Yr., 4-5 ft. trees, 35¢ each; 3 for 90¢. 2-Yr., 5-6 ft. trees, 60¢ each; 2 for \$1.00; 5 for \$2.25.

WISTERIA, PURPLE TREE FORM.

Gorgeous long clusters of purple flowers hang from this dainty tree, lasting a long time. Grafted form, stays small. Blooms in May. These trees should be staked the first year; therefore, are including a stake with each tree. Fine, 2-Yr., 2-3 ft. trees, with stake, \$2.50 each; 2 for \$4.00.

Mountain Ash

Hardy American Persimmon

Hardy American Persimmon

Small trees highly ornamental and producing an abundance of pleasing spicy fruits. Bright, golden orange fruits with a rich, spicy and delicious flavor, which are highly prized when gathered after the frosts. Bear at an early age. One of the hardiest varieties of Persimmons grown.

Fine, 2-3 ft. trees, 65¢ each; 3 for \$1.80.

EVERBEARING FIG

Our Dwarf Fig is particularly adapted to growing in the north as it does well in either tubs or in the open ground. The root is perfectly hardy. Should tops freeze, it can be cut to the ground, and when it begins growing again it will produce fruit on the new wood. We recommend tub culture north of Philadelphia. Plants bear the first year they are set out, and abundantly each year thereafter. The fruit is of good size, sweet and delicious, with flesh that is firm and meaty. Is an excellent fruit for making preserves, jams, canning, drying, or to eat fresh.

Fine, 2-3 ft. trees, 85¢ each; 2 for \$1.60.

HARDY NUT TREES

AMERICAN FILBERT (Hazel Nut). The family favorite, having attractive bush, yielding abundant crops of tasty round nuts, which are tender and of fine flavor. 2-Yr., 2-3 ft. trees, 80¢ each; 3 for \$2.25.

BUTTERNUT. Native tree, producing long large nut. Has a sweet, oily nutritious kernel. 2-Yr., 2-3 ft. trees, 35¢ each; 3 for 90¢.

CHINESE CHESTNUT. Distinct from other chestnuts; dwarf grower, productive usually when two or three years old. Nuts of immense size, larger than American Chestnut, and equally sweet and good. Fine, 3-4 ft. trees, \$3.25 each; 2 for \$6.00. 2-3 ft. trees, \$2.25 each; 2 for \$4.00. 1-Yr., 10-12 in. stock, \$1.00 each; 3 for \$2.75; 6 for \$5.00.

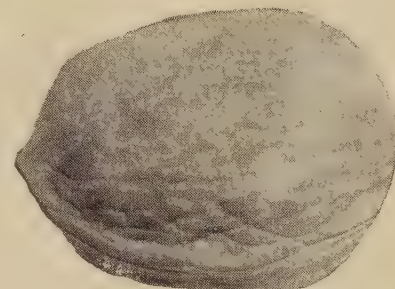

BLACK WALNUT. The common Black Walnut is very productive in nuts which are liked by many. A valuable tree for its lumber. Fine, 2-3 ft. trees, 35¢ each; 3 for 90¢; 10 for \$2.50.

HARDY PECANS. Of all the varieties of the luscious and valuable nut family, the Pecan stands at the head of the list. Hardy and strong grower; nuts of good size and well filled. Fine, 2-3 ft. trees, \$1.25 each; 3 for \$3.50. 18-24 in., 60¢ each; 3 for \$1.50.

JAPANESE WALNUT. Handsome ornamental shade tree; grows very rapidly; has large lustrous leaves and bears heavy crops of nuts resembling butternuts, but the kernels come out more readily and more whole. Full of nuts at the age of 5 years. Very hardy; attains a height of 50 feet at maturity. Fine, 2-3 ft. trees, 80¢ each; 2 for \$1.50.

THIN-SHELLED BLACK WALNUT. This splendid variety is nothing like the native Black Walnut, except in taste and richness—it produces much larger nuts and is thin-shelled. This walnut is hardy, a fast grower, and early bearing—often the third year after planting. Nuts crack easily—often in halves; individual nuts and kernels are large, light colored and of very good quality. Fine, 18-24 in., 60¢ each; 3 for \$1.50. 2-3 ft. trees, 85¢ each; 3 for \$2.40.

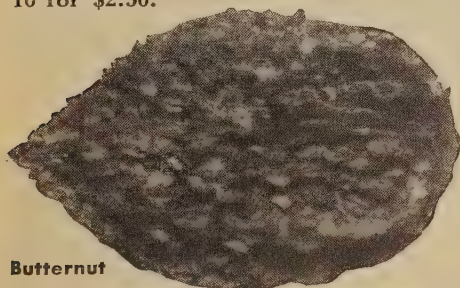

ENGLISH WALNUT. Tree valuable for its fruit and shade. The nuts are thin-shelled just like those you get from the West Coast, and can be cracked by putting two of them in the palm of your hand; nuts are filled with full-meated kernels of delicious flavor. Tree is hardy and productive. Fine 2-3 ft. trees, \$2.25 each; 2 for \$4.00.

ASPARAGUS ~ New Paradise

Save a Full Year — Plant This Spring — Harvest the Following Year!

Very large stalks of exceptionally fine quality; unusually heavy producers. A better Asparagus that grows a larger crop a **FULL YEAR EARLIER** and continues to bear heavier crops year after year. Tender crisp stalks are so large—6 to 8 make a pound. **Is a very excellent variety for freezing**; this variety is just as tender, green and fine flavored after freezing as it is a few hours after picking. Paradise, like the Mary Washington, is highly resistant to rust. Plant Paradise Asparagus—save a full year. **More profits in less time.** A small bed kept weed free or a border along the garden edge will supply an average table for six weeks or more.

PRICE: 1-year, 25 for 85¢; 50 for \$1.50; 100 for \$2.75; 250 for \$6.00; 500 for \$10.00; 1,000 for \$16.00. 2-year, 25 for \$1.65; 50 for \$2.85; 100 for \$4.75; 250 for \$8.50; 500 for \$14.00; 1,000 for \$22.00.

MARY WASHINGTON ASPARAGUS

This variety was developed and introduced by the U. S. Dept. of Agriculture. It is rust-proof, early and productive; the heads are solid and compact; stalks often more than an inch in diameter; crisp and delicious.

PRICE: 2-year, 25 for \$1.50; 50 for \$2.75; 100 for \$4.50; 250 for \$8.00; 500 for \$12.50; 1,000 for \$20.00. 3-year, 12 for \$1.50; 25 for \$2.25; 50 for \$3.25; 100 for \$5.50; 250 for \$10.00; 500 for \$16.50; 1,000 for \$30.00.

VICTORIA RHUBARB

This new variety has giant size stalks, twice the size of ordinary Rhubarb; very tender. Fine flavor. A trifle later than Myatt's Linnaeus.

MYATT'S LINNAEUS RHUBARB

It is an early, tender variety, without being in the least tough or stringy, with a mild, sub-acid flavor. We consider this one of the most profitable market garden crops. We offer good strong roots, at unheard-of low prices.

Rhubarb

PRICE, RHUBARB AND HORSERADISH

RHUBARB: Heavy, 4-Yr. Clumps, 20¢ each; 6 for \$1.00; 12 for \$1.75; 25 for \$3.00; 50 for \$5.50; 100 for \$10.00.

HORSERADISH: 6 for 50¢; 12 for 85¢; 25 for \$1.45; 50 for \$2.50; 100 for \$4.50; 200 for \$8.50; 300 for \$12.00; 1,000 for \$35.00.

New Paradise Asparagus

HORSERADISH

This popular condiment is very easily produced in the home garden, and anyone who has compared the freshly dug article with that sold over the counters can appreciate the value of the good, home-grown products so easily prepared. Source of supply is easily maintained, as it spreads quite rapidly.

Horseradish

15 BLOOMING SIZE CACTUS \$2⁰⁰

NET, POSTPAID

In this display of Cactus you will have all the beauty and romance of the great Southwest—all the wonders of the Mojave Desert. It will thrill you to watch these tiny plants burst into beautiful blooms of rich colors, and continue to bloom all summer. These attractive plants require practically no attention and will thrive in the atmosphere of a heated apartment as well as on the sunny patio, window sill or what-not shelf. Cultural guide enclosed with each order. The varieties we have selected in this collection can be arranged in a beautiful Dwarf Dish Garder, similar to that shown on the left (dish illustrated is not furnished).

This unheard of collection of 15 plants for only \$2.00.

Giant Cultivated BLUEBERRIES

One of the biggest money-makers as a commercial proposition. An attractive ornamental from early spring until late fall. Heavy producer—four bushes in your yard will provide enough berries for Blueberry pie throughout the season. As an ornamental shrub, the Blueberry cannot be surpassed; are full of pink buds, which open into bell-shaped, white flowers, starting in June. Blueberries must have an acid or semi-acid soil, good drainage and moderate supply of moisture. Cultural instructions on the planting of Blueberries included with every order.

The 4-, 5-, and 8-year-old bushes will produce next summer. Remember, the older the bush, the more berries and profit you will receive. **We cannot guarantee varieties in 4-, 5-, and 8-year-old, but they will consist of all good kinds.**

PRICES OF BLUEBERRIES—Not Prepaid

We offer 3 varieties in the 1-, 2-, and 3-year. Rancocas (early to midseason), Jersey and Rubel (Midseason to Late).

Special Super-size, 11/16 in.	1.15	10.00	85.00

Anoka (B)

The Old Folks' Apple! The second year, big, full-sized crop; earliest and heaviest bearing Apple. Hardy in all climates; never winter-kills. Can be grown anywhere in the United States. Ripens in August, but can be used a month earlier. Apples are good sized, well formed, beautifully colored. Has proven to be one of the very best early summer apples for all purposes.

Red McIntosh (A)

Medium size, nearly covered with dark red. Flesh white, tender, juicy and crisp. Similar to common McIntosh but colors earlier. Tree hardy, vigorous and healthy. September ripening.

Red Jonathan (C)

Grand, good winter Apple. Bright, solid red. Flesh white, sometimes tinted with red; firm, fine, crisp and tender. A splendid family sort and highly profitable for market. Tree long-lived, productive and an early bearer. Will keep well without especial care; also stands much handling.

Cortland

An offspring of the McIntosh, but fruit larger, more uniform in size, more highly colored, richer in flavor, firmer but fully as juicy. Clings to tree more tenaciously, and ripens 3 to 4 weeks later. Fine for cooking. A good shipper. Bears 2 to 3 years after planting.

Red Rome Beauty

An improved variety, which has a solid, deep red color. Large winter Apple of good quality. Thick skinned, stands handling well and a good keeper. Bears young.

Yellow Delicious (D)

Best yellow apple. Waxy golden color. Luscious flavor, finest in the world. Bears very early, in 2nd and 3rd year. Keeps until late spring without becoming mealy. Very hardy. You'll make more money with our Yellow Delicious.

Yellow Transparent

Ripens in July. One of the best; early. Skin clear white, changing to pale yellow when ripe. Flesh white, tender, sub-acid.

Dbl. Red Delicious (E)

The new, superior Delicious that is creating a sensation. Fruit is red all over as early as August, when other Delicious are still green. Extra fine flavor. Brings highest prices on the market. Supply is limited, so order early.

Stayman's Winesap

A good early winter keeper. Fruit large, bright red color. Flesh tinged with yellow; firm, crisp, with pleasant, rich acid flavor appealing to everyone.

Red Northern Spy

Red Spy is a typical Spy except in color. The color is solid bright red without either stripes or splashes. Flesh white, tender, mild, sub-acid. Reliable bearer.

Wealthy

Ripens late summer and early autumn. Perfectly hardy, vigorous and productive. Fruit large, red streaked with white. Quality good.

PLUMS

STANLEY PRUNE. Superior to all Prunes, as it often comes into bearing in 3 years and ripens 10 days earlier than Italian or German Prune. Hardy, never winter-kills. A more thrifty and rapid grower than all other sorts. Very productive. Fruit large, deep bluish purple; firm and sweet, excellent quality. The best for commercial planting or home use.

PRICE: 7/16 in., 3-4 ft. trees, \$1.35 each; 10 for \$12.50.
11/16 in., 5 ft. trees, \$1.90 each; 10 for \$17.50.

BURBANK. Most profitable market variety. Tree hardy, spreading, vigorous and heavy yielder. Bears young. Fruit large and of excellent quality; cherry-red, with lilac bloom. Ripens in August.

SHROPSHIRE DAMSON. Largest of the Damson class. The dependable, little improved blue plum which bears such tremendous crops. Fruit makes rich red preserves, highly colored and flavored. Ripens in August. Very hardy.

MONARCH. One of the finest flavored desert plums. Big, round, dark blue with tender, sweet, juicy yellow flesh. Ripens in August. A favorite for home use and canning. Hardy.

PRICE: Burbank, Damson and Monarch,	Each	10
7/16 in. trees	\$1.35	\$12.50
9/16 in. trees	1.60	14.50

PEARS

BARTLETT. Large; coloring when fully ripe, to waxy yellow with red blush; juicy, melting, highly flavored. Tree bears early and abundantly. Fruit ripens in September.

BEURRE BOSCH. Fruit very large, of distinct gourd shape, roundish at blossom end, with long, thin, tapering neck. Beautiful golden russet color. Flesh fine grained, juicy and melting, very delicious and high flavored. Ripens late September. Available in 9/16 and 11/16 in. only.

KIEFFER. Best Pear for large commercial planting. Ripens in October and November. Fruit large, of good quality.

SECKEL. (Sugar Pear). Small size; yellowish russet, with red cheek. Flesh white, buttery very juicy and melting. Ripens in September and October.

Bartlett

Amber Gem

NEW Tested VARIETIES

ACKERMAN'S Northern Grown

There's a Difference. Northern Grown. Buds
Especially Selected from Heavy Bearing
Trees; Insures a Bumper Crop.

AMBER GEM. This grand new variety is a semi-cling; shaped like an Elberta and ripens same time. Beautiful yellow flesh with deep red blush; delicious honey-sweet flavor. Will hang on the tree from ten days to two weeks after it ripens. Truly one of the largest peaches we have ever seen. One of the best canning varieties known at the present time — used extensively by all canning factories. It is extremely hardy and very productive. Excellent variety for long distance shipping, as it will keep several days after being picked. **See page 35 for Price.**

RED HAVEN. An excellent early maturing peach. **RIPENS 30 DAYS EARLIER THAN ELBERTA.** Yellow freestone, almost completely covered with a brilliant red color; sweet in flavor. Firm flesh and tough skin. Heavy producer. Fruit buds much hardier than Elberta. **See page 35 for price.**

FERTILE HALE. This variety will produce full crops of beautiful large peaches, entirely free from all so-called "buttons" so prevalent in crops of J. H. Hale, for it is self-fertile. Season little later than Elberta. Fruit very large; flesh yellow, with deep carmine blush. Very hardy freestone. Splendid market variety. Protected under U. S. Plant Patent. Prices 10c per tree higher than listed on page 35. 5/16 in. size not available.

RED ELBERTA. U. S. Plant Patent No. 232. This rich red-all-over Peach is identical with Elberta in tree and fruit with a much improved flavor, but ripens 10 days earlier. The flavor is exquisitely rich, sweet, and free from all bitterness. It is fine textured, firm and able to hold up for long-distance shipping and canning requirements. The rich red color sells the fruit on sight. Freestone and self-pollenizing. See page 35 for price.

SKIBBE'S ELBERTA. New! This peach was found in an orchard by Mr. Skibbe of Eau Claire, Michigan, as a seedling which grew up beside a large Apple tree. Observations have shown this tree bore about a peck of peaches the second year, the third year a bushel, and this year a full crop. It was such an outstanding Peach, Mr. Skibbe brought it to our attention; after seeing the tree and examining the peaches we were so much impressed with this new variety, we purchased the budwood from this tree and budded about fifty trees two years ago. Last year we budded enough so we now have a limited supply to offer to our trade. We have found the peach to be all that we expected. It is a large, yellow, freestone; round—practically the shape of J. H. Hale; self-pollenizing, and ripens right after Elberta. Peaches are the size of J. H. Hale, which is one of the largest peaches grown today. Fruit is yellow with bright red cheek with occasional striping. Mr. Skibbe, who is a large Peach grower in Berrien County, is so impressed with this variety he is planting an orchard this spring. We believe this peach will be grown extensively for home and market use as soon as stock is available. Get started this year with a few trees. **PRICES: 10c per tree higher than price listed on page 35.**

EARLY PROFIT. See page 36.

PEACHES

STANDARD COMMERCIAL VARIETIES

Absolutely true-to-name, vigorous, well grown, perfectly healthy, with well-ripened wood and splendid roots. Guaranteed to reach you in good growing condition.

ELBERTA. Standard market peach of the entire country. Very large; yellow with red blush; flesh is yellow, tender and juicy; very highly flavored. Rank, vigorous grower. Ripens middle of September. Freestone and self-fertile.

GOLDEN JUBILEE. Tree habits and fruit resemble Elberta but ripens about a month earlier. The skin is yellow with red blush; flesh golden yellow, juicy, tender, sweet and freestone. Very hardy, regular bearer.

J. H. HALE. Ripens 5 days earlier than Elberta, is larger and superior flavor; beautiful golden yellow with carmine blush, smooth, fuzzless. Freestone.

HALE-HAVEN. A cross between South Haven and J. H. Hale. Freestone. Strong grower, very hardy, heavy bearer; excellent, fine flavor. Ripens 15 days earlier than Elberta. **The best yellow freestone we have seen for years.**

ROCHESTER. One of the best early yellow freestones. Exceptionally hardy. The skin is yellow with deep red blush. Excellent flavor and a good yellow freestone. A regular bearer.

NECTARINE

This delicious fruit is a cross between a peach and plum. Resembles a peach in shape, size and flavor. Smooth skin, similar to that of a plum; many fruit lovers call it the "Fuzzless Peach." Fruit is large, with striking red color, very juicy and delicious. It is a freestone and ripens with the Elberta peach. Its habits are similar to the Peach; therefore culture is the same. Excellent for canning or as a fresh fruit. Plant two or more trees for proper pollination.

PRICE: 3-4 ft. trees, \$1.00 each; 2 for \$1.75; 4 for \$3.00.

PEACH, 3-4 FT.

1 MONTMAMMOTH
CHERRY, 2-3 FT.

\$2.15

Net, not prepaid

The earliest peach for northern growers. This tree was found 8 years ago in an orchard of one of our prominent commercial growers in Berrien County. We have been watching this tree year in and year out, and it has never missed a crop in the past 8 years. We secured our budwood from this parent tree, and have now propagated enough trees so we can offer them in limited quantities. We are quite impressed with this new Peach as it comes into bearing in July.

The Peach is practically round; almost completely covered with a beautiful, bright-red coloring; flesh is yellow, firm and juicy—one of the sweetest and juiciest with a wonderful peach flavor. This peach, over a period of 8 years, has been a freestone five years and a semi-cling three years; we believe weather conditions govern these characteristics. Bears tremendous crops—should be thinned heavily to insure large Peaches.

In planting these trees you will be assured of early profits, or money in your pocket long before standard varieties begin to produce. Try a few trees and you will have peaches and cream long before other varieties start to ripen. Extremely hardy here in Michigan, and a sure-cropper.

1-Yr., 3-4 ft. trees, \$1.25 each; 3 for \$3.60; 10 for \$11.00
1-Yr., 4-5 ft. trees, \$1.50 each; 3 for \$4.35; 10 for \$14.00.

New MONTMAMMOTH CHERRY

This variety was found by Lee McClain, of Knox County, in 1928. A sport of the Montmorency. Bears the second year—no waiting for fruit. High quality cherries are large—often caliper-ing an inch in diameter. As the tree is dwarf and spreading in growth, it is much easier to pick than other varieties as the bulk of the crop can be harvested from the ground. Heavy producer—3 to 5 fruits per spur; the parent tree was one-year-old when planted, which was 30 years ago, and it produced a 6-gallon-crate of fruit the third year. The many fine points that this sour Cherry has, we believe, will eventually take the place of all other sour Cherries when stock is available.

PRICE: 1-Yr., 2-3 ft. trees, \$1.50 each; 3 for \$4.35; 10 for \$14.00.

CHERRIES

SOUR CHERRIES

English Morello Sour Cherry

Late Sour Cherry; tree not large grower, upright spreading. Fruit is large, very dark red in color—almost black. Fruit is handsome in appearance, real tart. A good all-around Cherry.

PRICE:	Each	10	25
7/16 in. trees	\$1.45	\$12.50	\$27.50
9/16 in. trees	1.75	14.00	31.25

Large Montmorency

The leader of all Sour Cherries. Ripens midsummer. One of the finest flavored Sour Cherries. Bears enormous crops regularly. Best all-around Cherry grown. Tree bears two to three years from planting. The best Sour Cherry for pies and home use. **OUR TREES HAVE NOW BEEN CERTIFIED BY THE MICHIGAN STATE DEPARTMENT OF AGRICULTURE, TO BE PROPAGATED FROM VIRUS DISEASE-FREE BUDWOOD.** This special certification costs you nothing extra—your guarantee as to receiving disease-free stock.

HARDY APRICOTS

This is the Hardy Northern Variety. Produces very large, orange-yellow-colored fruit with red cheek; sweet, juicy and delicious. Free-stone and very productive. As hardy as a peach and as easy to grow. Ripens in August. Plant two or more trees for proper pollenization.

PRICE: 2-Yr., 2-3 ft. trees, 90¢ each; 5 for \$3.75; 10 for \$8.00.

SWEET CHERRIES

Black Tartarian

Very large, purplish black, heart-shaped, flesh mild and sweet, and quality considered one of the best for market and dessert. Tree is vigorous, upright grower and immense bearer. Ripens in July. We recommend this as one of the best Sweets for home use. Price: 9/16 in. trees, \$1.75 each; 10 or more at \$1.50 each.

Schmidt's Bigarreau

Especially noted for coming into bearing at an early age. Bears heavily, is very hardy and a sure cropper. Immense size, deep black; flesh dark, tender, very juicy, fine flavor. Ripens in July. Price: 7/16 in. trees, \$1.50 each; 10 or more at \$1.35 each. 9/16 in. trees, \$1.75 each; 10 or more at \$1.65 each.

Napoleon (Royal Ann)

Of fine appearance and very largest size. Color yellow and amber, with bright red blush; flesh firm, juicy and delicious. Bears enormous crops, ripening in July. Price: 9/16 in. trees, \$1.75 each; 10 or more at \$1.50 each.

Jumbo Red

GRAPE

JUMBO RED

The Giant of all Grapes—Individual
Kernels Size of a Plum.

We introduced this variety two years ago. We believe it came from a sport or seedling as one vine was found in a vineyard of Concord some seven years ago; the fruit is entirely different than any variety we have ever seen. An amber-red when ripe, with individual kernels the size of a Plum; compact bunches weighing one to two pounds. Very hardy. Will grow on most any soil. As the supply of planting stock is still very small, are again limiting each customer to twelve plants.

PRICE: 1-Yr. vines, 85¢ each; 2 for \$1.50; 6 for \$3.90.

CACO

Fruit is very large, rich wine-red in color; flavor of the finest, very rich and sweet. Excellent quality. Ripens in September. Vines are hardy, strong and vigorous growers, very prolific. **Price:** 2-Yr. vines, 30¢ each; 6 for \$1.60; 12 for \$2.50; 25 for \$4.50; 50 for \$8.15; 100 for \$15.00.

LUCILE

Deep red or maroon. Fruit large and meaty; extra large, loose shouldered bunches. Ripens with Concord. Delightful aromatic flavor. Very healthy, hardy, strong grower. **Price:** 2-Yr. vines 30¢ each; 6 for \$1.60; 12 for \$2.50; 25 for \$4.50; 50 for \$8.15; 100 for \$15.00.

2 Jumbo Red
Grape
1-Yr. plants

\$1.75

Net, not prepaid

CATAWBA

An old established variety—the best red grape of them all. Berries large, dark copper, rich musky flavor; late. Best wine and table grape. Ripens in September. Vines are hardy, and vigorous growers. **PRICE:** 2-Yr. vines, 30¢ each; 6 for \$1.60; 12 for \$2.50; 25 for \$4.50; 50 for \$8.15; 100 for \$15.00.

DELAWARE

Berries are compactly set, light red, sugary and delicious. It is one of the very best small red varieties, brings highest prices on any market. Excellent wine grape. **PRICE:** 1-Yr. vines, 20¢ each; 6 for \$1.00; 12 for \$1.75; 25 for \$3.25; 50 for \$5.75; 100 for \$10.00. 2-Yr. vines, 30¢ each; 6 for \$1.60; 12 for \$2.50; 25 for \$4.50; 50 for \$8.15; 100 for \$15.00. 3-Yr. vines, 35¢ each; 6 for \$1.80; 12 for \$3.45; 25 for \$6.25; 50 for \$11.50; 100 for \$20.00.

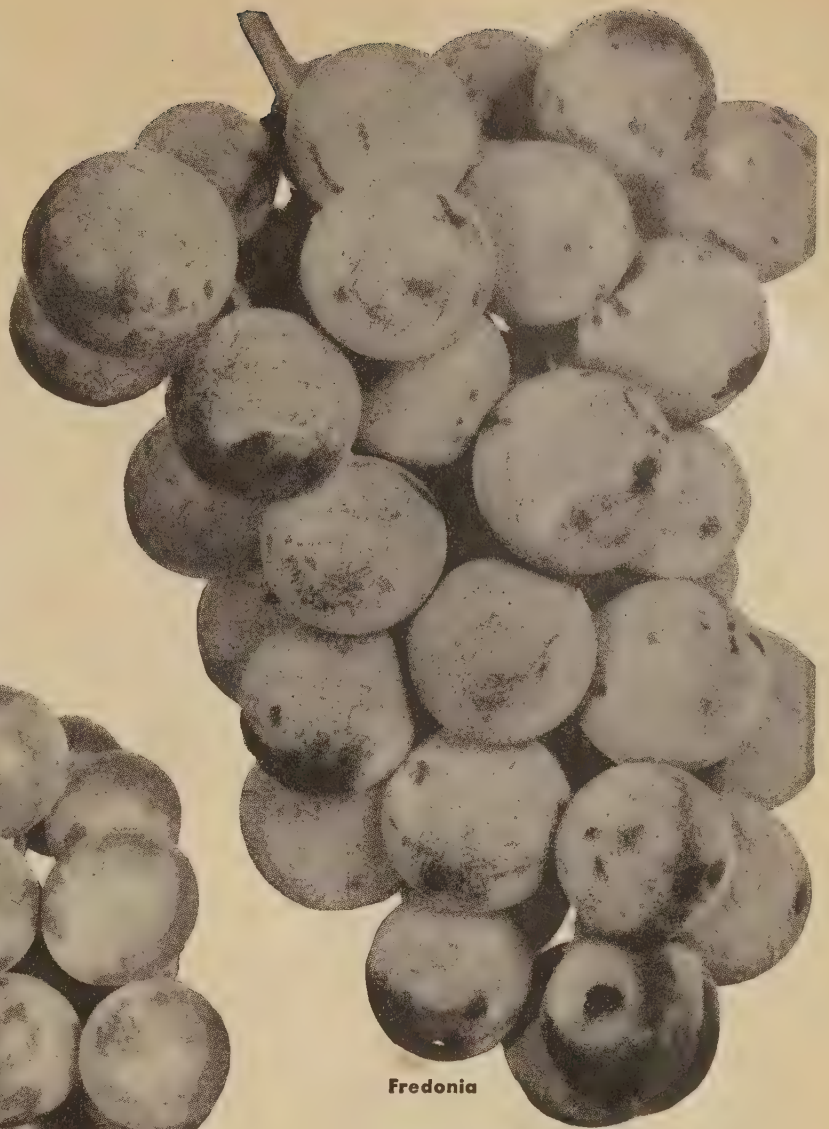

VINES

CONCORD

Most popular grape of them all. Large, purplish black Grape. Large shouldered, compact bunch. Flesh is juicy, sweet and tender, excellent flavor. Vine a strong grower, very healthy, hardy and productive. Ripens in October. See price below.

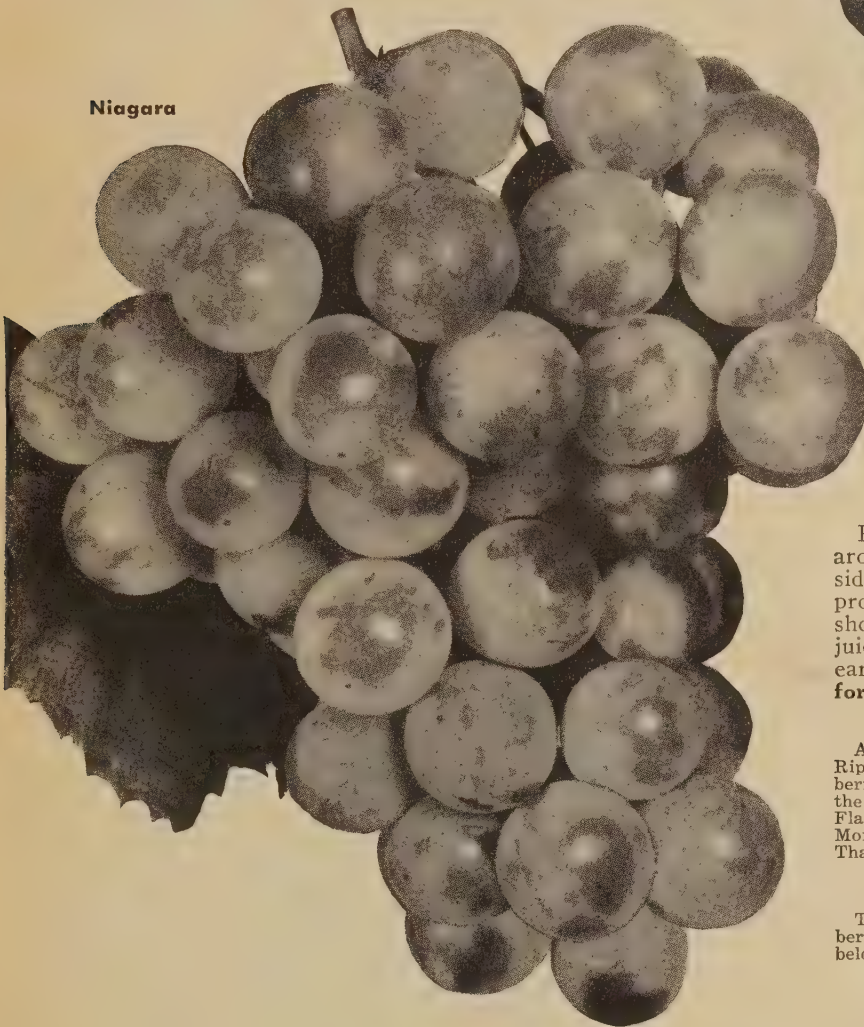

FREDONIA

The best black Grape ever introduced! The biggest money-maker of all Times! On one acre, have picked as high as 2,400 four-quart baskets and 150 twelve-quart baskets. Fredonia is the earliest good black grape, ripening 15 days earlier than Concord. The vine is very disease-resistant, vigorous and productive—makes new wood so fast it bears the second year. Of finest quality; the clusters are large size, cylindrical and very compact; berries large, round, and hang well to the bunch. The skin is thick and tough, the flesh is juicy, solid, but tender. See price below.

Fredonia

Niagara

GOLDEN MUSCAT

Possess a rich golden color and the finest Muscat aroma of the European Muscat. For home use and roadside market, it is one of the best. The vine is vigorous, productive; the clusters are very large, tapering, single-shouldered and compact. The berries are large, oval, juicy, tender, sweet-vinous and aromatic. Ripens 10 days earlier than Concord. Price: 1-Yr. vines, 80¢ each; 6 for \$4.50.

SENECA

A variety that is entirely different, not just another variety. Ripens early; bunches are of good size, tapering and compact. The berries are oval in shape and golden yellow. Texture is firm, like the California grape and the skin can be eaten with the berry. Flavor is sweet and aromatic; texture is melting and tender. Moreover, it keeps well on the vine or off and in storage until Thanksgiving. Price: 1-Yr. vines, 85¢ each; 6 for \$4.80.

NIAGARA

The standard white Grape. Ripens with Concord. Bunch and berries large. Good quality. Very hardy and productive. See price below.

Thornless
Boysenberry

Thornless BOYSENBERRY

Entirely thornless! Think of picking real large berries without a chance of scratching your hands! These large, sweet, juicy berries are often 2 inches in length, and are a dark maroon in color. Has a rich tangy flavor all its own. They are just as easy to grow as blackberries—plant 6 feet apart in rows 6 feet across; train on wires the same as Dewberries. Absolutely hardy — will not winter-kill. Excellent canner, and valuable for table use, jellies and pies — ideal for freezing.

PRICE: 1-Yr., No. 1 plants, 6 for \$1.25; 12 for \$2.00; 25 for \$3.25; 50 for \$5.00; 100 for \$8.50; 200 for \$16.50; 300 for \$24.00; 400 for \$31.25; 1,000 for \$73.00.

NECTARBERRY

Berries are as large as Boysenberry. Ripens 3 days later, much sweeter, better flavor. It has remarkably few and soft seeds and no noticeable core. Heavy producer. Has withstood temperatures of 15 below zero. Dark maroon in color. Culture same as Boysenberry. **PRICE:** 1-Yr. plants, 6 for \$1.10; 12 for \$1.90; 25 for \$3.15; 50 for \$5.00; 100 for \$8.50; 200 for \$16.50; 300 for \$24.00; 400 for \$31.25; 1,000 for \$73.00.

Sodus

SODUS PURPLECAP

Berries produced by this variety are two times as large as the older Purplecaps. Berries resemble Red Raspberries in shape and appearance, but fruit is purple and the bush grows like Blackcaps. Heavy producer. Fruit is very sweet and delicious; excellent either fresh or canned. **PRICE:** 1-Yr. plants, 6 for \$1.25; 12 for \$2.10; 25 for \$3.30; 50 for \$5.50; 100 for \$9.50.

NO. 47**

12 Latham (Red)
12 Cumberland (Black)
1-Year Plants

\$1.50

Net, not prepaid

RED LAKE CURRANTS

Originated at the Minnesota State Fruit Breeding Farm—finest of all Red Currants. The berry is unusually large in size and of a superior quality; the clusters are long and filled out to the top, with stems sufficiently long to make picking easy. Berries are a clear light red and quality excellent. The bush is vigorous, upright, and productive. Ripens early mid-season, but holds on over a long period so it can be used or marketed, as desired.

PRICE:	Each	6	12	25	50	100
1-Year	\$0.20	\$0.85	\$1.50	\$2.75	\$5.00	\$9.00
2-Year35	1.75	2.95	5.50	10.00	18.00

We also offer two of the older standard varieties of Currants, as follows:
WILDER. Bunch and berries very large; modern acidity. An immense yield, always dependable. Available in 2-yr. only.
RED CROSS. Large, bright red berries with rich, mild flavor, with plenty of pulp and few seeds. Good bearer. Available in 2-Yr. only.

IMPORTANT—We ship Currant plants only to Michigan, Illinois, Indiana, Kansas, Missouri, Iowa, Nebraska, Oklahoma, North Dakota, South Dakota, Kentucky, Texas and Colorado.

Latham Red Raspberry

5-N-1 APPLE TREES

Five Kinds of Apples on One Tree!

Ideal for Home Gardens

A Whole Orchard at Your Own Doorstep

The only Apple tree for the small home owner. No yard too small; can be planted in the front yard as well as the back. Will furnish plenty of shade, be highly ornamental, and also will produce a bountiful supply of five different kinds of Apples. The varieties are: Red Delicious, Yellow Delicious, Anoka, Yellow Transparent, and Red Jonathan. These are five of the best standard varieties of Apples—practically covering the entire season. An outstanding novelty in your community.

PRICE: 2-Yr., branched 9/16 in., \$1.65 each; 2 for \$3.00.

BLACK RASPBERRIES

NEW MORRISON

Note actual photograph at left. The giant of the Black Raspberry family. Jet black berries; nearly an inch in diameter. The first Blackcap ever introduced that is superior to the old variety, Cumberland. Originated in Northern Ohio by the late Fred Morris. Ripens midseason to late. An outstanding rapid grower. Produces enormous crops. Very thrifty and disease resistant. Will grow on any soil. A brand new variety of real merit. Our supply of plants is very limited—order early and avoid disappointment.

PRICE: 1-Yr. No. 1 plants, 6 for \$1.15; 12 for \$1.95; 25 for \$2.85; 50 for \$4.75; 100 for \$8.50; 250 for \$20.00; 500 for \$35.00; 1,000 for \$65.00.

New Morrison

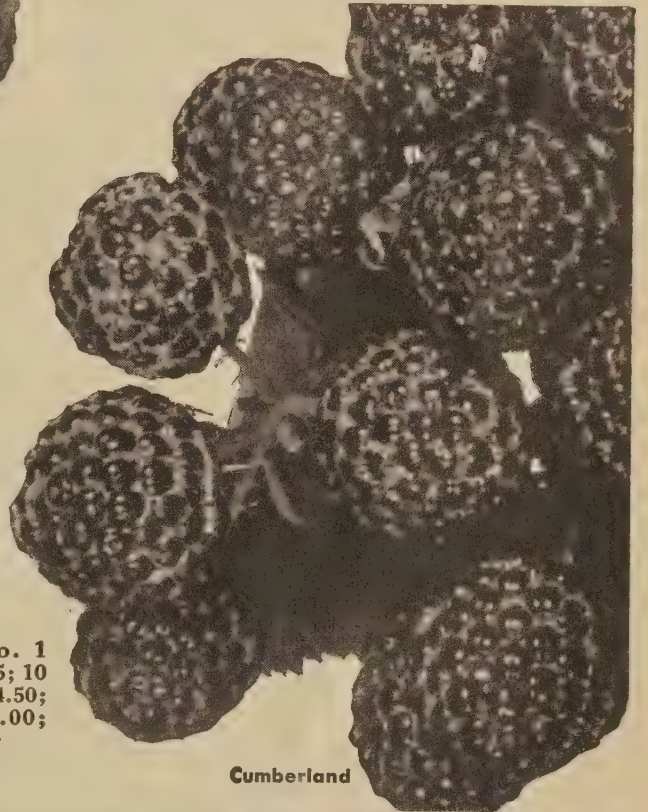

Cumberland

The Very Best Midseason Kind. No Blackcap has ever been grown as extensively as Cumberland, nor attained its great popularity in all Raspberry producing sections of the country. A heavy yielder, berries large, rich black in color; fruit firm and of delicious flavor. Bush absolutely hardy, vigorous growing, producing plenty of fruiting wood.

PRICE: 1-Yr. No. 1 plants, 12 for 85¢; 25 for \$1.50; 50 for \$2.75; 100 for \$4.95; 250 for \$11.25; 500 for \$20.00; 1,000 for \$37.50. 2-Yr. Transplants, 6 for \$1.35; 12 for \$2.50; 25 for \$4.00; 50 for \$7.00; 100 for \$12.00; 250 for \$25.00; 500 for \$45.00.

IMPROVED CUMBERLAND

Ripens 10 days to 2 weeks earlier than Cumberland. Berries are large, jet black in color, very firm and have a delicious, sweet flavor. Strong, thrifty grower and very resistant to disease.

Cumberland

Tried and Tested **FOR 46 YEARS** **SENATOR DUNLAP**

One of the oldest and best varieties—a variety your Grandmother canned when you were a child. New varieties have come and gone, but the old Standby “Dunlap” is still with us. Have been sold for 46 years, and still outsells other varieties—they must be good! We sell more plants of this variety than any other kind. Will grow on any kind of soil—grown in every State in the Union—better known than any other variety. Originated by Dr. J. R. Reasoner, of Urbana, Ill.

The fruit is medium large, conical in form, regular in size, and never misshapen; dark glossy red in color. Excellent for home use. The best color—the best flavor, and best of all—so sweet it requires but very little sugar.

Plants are unusually healthy and vigorous, adapting itself to any soil or climate. Our propagating plants have been especially selected from heavy producing patches, making this strain heavy producers. Easiest plant to grow—practically no failure. Still grown extensively for a commercial proposition.

A garden is not complete without a few hundred Dunlap.

PRICE: 25 for \$0.85; 50 for \$1.25; 100 for \$1.75; 250 for \$3.50; 500 for \$6.50; 1,000 for \$12.00;

THERE ARE BIG PROFITS IN STRAWBERRIES; PLANT A PATCH THIS YEAR

Neet

NEET *Best Early*

A comparatively new variety, which resembles the Premier, but is much hardier, larger, better flavored and invariably produces more fruit. Will produce a fine fruit crop the second and third year after planting—a trait not found in any other variety we have grown. Berries are large, perfectly formed, delicious sweet flavor, good quality, firm texture. Very hardy.

PRICE: 25 for \$1.10; 50 for \$1.85; 100 for \$2.85; 250 for \$6.15; 500 for \$9.00; 1,000 for \$17.00.

Michigan State Department
of Agriculture Bureau of
Plant Industry No. 1803

Certificate of Strawberry Red Stele Inspection

This is to certify that Strawberry plants of The Ackerman Nurseries, Bridgman, have been examined and found apparently free from the Red Stele disease as well as other strawberry diseases and insects. Date of first inspection 6-11-47. Date of second inspection 8-26-47.

Chas. Figy, Commissioner.

C. A. Boyer, Director Bureau
of Plant Industry, Lansing,
Michigan. 8-29-47.

Catskill *Midseason*

It is a cross between Premier and Marshall. Makes a fine, vigorous plant growth; fruit stems are thick and grow upright; leaves are exceptionally large. Late ripening. Good quality berries, which are of good size an bright red in color. Fine flavor and excellent for canning and freezing.

PRICE: 25 for \$1.25; 50 for \$2.00; 100 for \$3.15; 250 for \$6.45; 500 for \$10.00; 1,000 for \$18.00.

Temple

TEMPLE

A New variety which has been introduced due to its exceptional resistance to diseases. Berries are large, blunt conic, smooth, uniform and have large, attractive caps. Ripens nearly as early as the well-known Blakemore—one of the first to ripen in the Central States. Good quality fruit with good shipping qualities. An exceptionally vigorous variety, producing unusually tall plants; good plant maker. Supply is very limited this season—order early and avoid disappointment. **PRICE:** 25 for \$1.25; 50 for \$2.00; 100 for \$3.15; 250 for \$6.45; 500 for \$10.00; 1,000 for \$18.00.

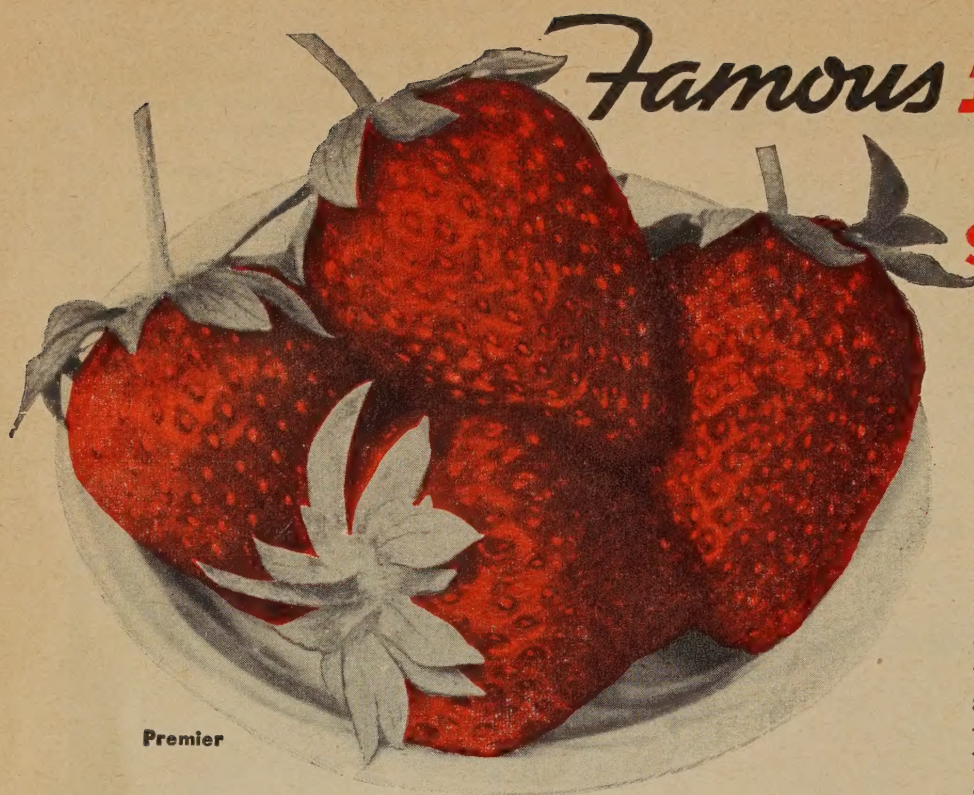

Late
Giant

LATE GIANT *Best Late*

Ripens so late that there will be no waiting between Strawberries and Raspberries. Berries are dark red all the way through, honey-sweet, with a flavor of a wild Strawberry. Berries are giant in size and of good quality. Make a good fruiting row on any soil. This variety has proven to be exceptionally resistant to Red Stele.

PRICE: 25 for \$1.10; 50 for \$1.85; 100 for \$2.85; 250 for \$6.15; 500 for \$9.00; 1,000 for \$17.00.

Premier

Famous **PREMIER** Best Early **STRAWBERRY**

Still the leading early berry.

A standard of excellence with all growers, and the earliest worthwhile Strawberry of the older varieties. A great money-maker, for it yields its fruit crop at a time when strawberries are in great demand and sell at fancy prices. Premier is as nearly frost-proof as any strawberry can be. It is unusually healthy, being free from leafspot and other diseases. Its deep heavy roots enable it to withstand dry weather and mature a full crop of big berries when many varieties are a complete failure. Large, bright red, firm berries of fine texture and flavor.

PRICE: 25 for 95¢; 50 for \$1.65; 100 for \$2.75; 250 for \$5.85; 500 for \$8.75; 1,000 for \$16.00; 2,000 for \$30.00.

ROBINSON Best Late **STRAWBERRY**

BARGAIN NO. 52

50 Premier

50 Robinson

\$2.25

Net, not prepaid

This berry was originated by John Haley, of Southern Michigan. It is a cross between Premier and Washington. The best medium to late—10 days to 2 weeks later than Premier. In our 50 years of growing strawberries, Robinson is the largest berry we have ever seen—30 berries will fill a quart. This variety has been grown commercially for the past seven years in Michigan; has produced a wonderful crop of fruit every year under most unfavorable conditions—farmers netted over \$1,000.00 an acre from this variety this summer.

Berries are extremely large, and honey-sweet. Color is decidedly a cardinal-red, and this berry may be offered under this name. Berries have a firm, tough skin, making it an excellent shipper to distant markets.

Excellent plant maker on most any kind of soil.

Premier and Robinson, two of the best varieties, will give you berries over the entire season.

PRICE: 25 for 85¢; 50 for \$1.50; 100 for \$2.50; 250 for \$5.50; 500 for \$8.00; 1,000 for \$14.00; 2,000 for \$26.00.

Here is what one customer says about Robinson!

Tyner, Ind.

"Just a word about the fine Robinson received from you in 1945. The 7,000 plants brought gross returns of \$1300 in 1946. I was well pleased."

Robert Huffman.

Robinson

Brune's
Marvel

Everbearing Strawberries

BRUNE'S MARVEL

A New Everbearing Strawberry which is as large as the Gem and as sweet as the Wayzata. Ripens an even, beautiful red—no green tips. Ripens about 60 days after planting—one of the first Everbearers to ripen; berries all summer and another fine crop the following June. So sweet, they require only half the sugar for canning. Excellent shipping qualities. Tests have proven them to be able to withstand dry weather conditions better than other varieties. Fine foliage; heavy enough to protect the berries from sun-scald and frost; produces runners freely. Berry was originated in Minnesota and therefore very hardy. Supply very limited—order early.

PRICE: 25 for \$1.35; 50 for \$2.25; 100 for \$3.75; 250 for \$7.50; 500 for \$13.75; 1,000 for \$25.00.

GEM

Two Crops Each Year
THE BERRY THAT REALLY PRODUCES

Plant this spring—pick all summer—you'll get back the price paid for the plants, and **most important, a big profit besides.** You'll harvest another fine crop the following June—two crops in one year.

Unlike most everbearers, this variety is an excellent plant maker. The plants are very healthy and vigorous, producing an abundance of runners, which bear fruit the first season. The berries are large, bright red, firm, roundish in shape, rather tart but of good flavor and quality. Good for dessert or culinary uses. Very attractive in appearance and sell well on the fresh fruit markets. Our original stock was secured direct from the originator.

PRICE: 25 for \$1.25; 50 for \$2.00; 100 for \$3.50; 250 for \$6.75; 500 for \$11.50; 1,000 for \$22.00; 2,000 for \$40.00.

MINNESOTA No. 1166 (Evermore)

This is a very recent introduction which has proven successful wherever tried. It also bears 60 to 90 days after planting—berries all summer and fall, followed by a fine crop the following June. Plants are hardy, and produce runners freely. Berries are large, long and pointed—in appearance it looks like the Missionary berry that is so well known in the South. Berries are dark in color and perfectly red clear through—no green tips. Fruit is firm and very sweet.

PRICE: 25 for \$1.35; 50 for \$2.25; 100 for \$3.75; 250 for \$7.50; 500 for \$13.75; 1,000 for \$25.00; 2,000 for \$48.00.

New Streamliner

EVERBEARING STRAWBERRY

A New Everbearer that has everything! Enormous size, beautiful coloring, good flavor, excellent shipping qualities and a good producer. It is claimed to be the largest berry of all the Everbearers; berries are almost round, glistening scarlet color and are sweet as honey — full strawberry flavor. No green tips, for it ripens into a beautiful, rich-red all at one time. Its firm qualities make this an excellent shipper.

A wonderful variety for freezing.

Two crops in one year—ripens 60 to 90 days after planting, fruiting continuously until snow flies; and another fine crop the following June.

This variety is also an excellent plant maker, producing very sturdy plants with luxurious green foliage; plants are healthy and produce an abundance of runners.

PRICE: 25 for \$1.75; 50 for \$3.00; 100 for \$5.00; 250 for \$10.00; 500 for \$19.00; 1,000 for \$37.50; 2,000 for \$65.00.

NOTICE

Strawberry Plants Will Be Shipped

As weather conditions govern the digging of all strawberry plants, these will be shipped separate in most cases. Therefore, do not become alarmed if the balance of your order does not accompany—this will be shipped later, or vice versa.

EVERBEARING STRAWBERRY

This new Everbearer was originated and named by Mr. Keplinger, of northern Michigan, the man who discovered the famous Gem everbearer. Berries are large, roundish in shape; are dark red all the way through, with a very fine sweet flavor. Berries are of firm texture, will withstand long-distance shipping without discoloration or softening of berries, which is quite common with most all everbearers. Ripe berries 90 days after planting; heavy yielder—produces an abundance of large berries until snow flies plus another bumper crop the following year. An excellent plant maker on most any soil.

This berry was fruited by us the first time during the summer of 1947; we found it is far superior to other Everbearers as the fruiting season extends over a much longer period than other varieties, holding its size well unto the end of the season. We are sure this berry will take the place of other Everbearing Strawberries as soon as it is known and plants are available. In one days picking, the last of August, we marketed sixty-seven 12-pint cases which sold for 3.00 per case. Try some—you won't be disappointed. Our planting stock was secured direct from the originator.

PRICE: 25 for \$2.75; 50 for \$4.75; 100 for \$8.00; 250 for \$18.00; 500 for \$35.00; 1,000 for \$65.00.
